AMENDMENT ELECTION MONDAY AUGUST FIRST

JUDGE KEMP WRITES ABOUT WESTERN TOUR

INTERESTING DETAILS OF TRAIL THROUGH MOUNTAINS GIVEN PUBLIC

The following account of the recent vacation trip by Judge and Mrs. Jeff T. Kemp and their daughter, Miss Ruth, will be of interest to the readers of this paper. The story of the visit to the west is told in the fascinating style of the Judge who writes well and interestingly:

Leaving Cameron on July 6th with my wife and daughter in our car we made an auto trip of 3685 miles in sixteen days. Motoring through thirty of the counties of western Texas and visiting Mexico, New Mexico, Arizona and Colorado, we stopped in the tourist camps of the various towns and states which we found comfortable and economical and we met many people from widely separated parts of the United States.

It seemed to us that veritably the world is on wheels this summer. We found the roads safe and well built and three passes over high mountains were made with little difficulty. It is difficult to believe but we saw snow at several places on our journey. We passed over the continental divide at Monarch Pass at a heighth of 11,600 feet.

We left Cameron on the morning of July 6th and our journey led us over Bell and Williamson county roads and into Burnet County where we met Van Tyson ,ex-commissioner of Milam county who is supervisor of the State Highways in Burnet and Llano counties. I rode with him through the two counties and incidentally heard much praise of the fine work he is doing. He is giving satisfaction to the people he serves. We stopped to visit his family for a few minutes in Llano and found them looking well and happy.

Later passing through the hill country of Kerr and Kimball counties we saw the fine ranches and herds of goats, sheep and cattle. We reached Fredericksburg by noon and saw the quaint sights of the old German town and the new hotel which marks the passing of the old Steamboat House where before the Civil War Generals Lee, Longstreet and Sheridan were registered while in service at Fort Mason fifty miles away.

At Kerrville we visited Westminister Encampment and found Garland Lang a former Cameron boy, in charge and Miss Mary Virginia Atkinson of Maysfield enjoying her summer vacation there. We also visited the beautiful Methodist encampment grounds on a mountainside near Kerrville where many prominent Methodists have sites for summer homes.

We traveled 346 miles that day to Sonora in the heart of the goat ranching district. The next day we made a good run passing through old Fort Stockton, seeing the noted Indian camp ground at Comanche Springs. We visited Alpine and saw Fred Walker, a son of George Walker of Davilla, who is now a professor in the

(continued on page 6)

PRESBYTERIANS WILL OPEN BIDS ON CHURCH

AUGUST 16th DATE SET TO LET CONTRACT FOR CHURCH BUILDING

Bids for construction of the new Presbyterian church in Cameron, will be opened on August 16 according to C. W. Lawrence, chairman of the building committee from the church.

Estimates are now in the hands of contractors and the bids are to be made to Mr. Lawrence not later than 4 p. m. August 16th.

C. N. Nelson of Houston is the architect for the new building and The Herald has asked for a photo of the new church which will appear in this paper in the near future.

Other members of the building committee are: E. Eggert, Monta Thomas, A. F. Mitchell, Mrs. John Watson, Mrs. W. G. Gillis and Mrs Paul Webb.

The building will be one of the most attractive church designs in this section and when completed will give Cameron another modern church plant.

ESTIMATES ON COTTON CROP ARE OPTIMISTIC

NORMAL CROP SEEN IN FORECASTS OF YIELD FOR MILAM COUNTY

Here is presented a number of estimates on the 1927 cotton crop by well informed business men and farmers. Other estimates were sought but on account of limited time they cannot be presented this week. They will follow next week.

The estimates range from 50,000 bales up, some holding to the view however, that the crop is yet to be matured. Generally a note of optimism prevails and with the good feed crops and the cotton crop promising much the return of prosperity if looked for.

A. H. Baskin—"Conditions of the cotton crop appear to be good and I look for a production of about 59,000 bales for the 1927 crop. Of course this estimate is based on present prospects. Two weeks could change the prospects but I believe the county will get an average crop. The price should be good."

A. N. Green—"We are going to harvest a good cotton crop in Milam county. I believe it will be an average crop and indications are it may be much better than an average crop and with the price ranging around twenty cents or better prosperity will come to the farmers and conditions will be good again in Milam county. It is my opinion that dry weather should now prevail for the reason that insects will not bother the crops and we must have clear weather for gathering

A. F. Mitchell—"Crop conditions are good as a whole in Milam county, but in some sections the crops are spotted. I look for an average yield of cotton. I have been over the county a great deal in recent days and while some sections are short, other sections seem to have an average or better in cotton. Other crops have been harvested and the farmers should be in much better condition this year."

J. W. Coleman—"The showing of the crop this year has been unlike anything I have seen. I look for a fair crop, that is 48 to 50 thousand bales. The price increase is encouraging and with the feed crops harvested by the farmers, conditions should be improved. I hope that we shall have reached the level in depression and that we may go up to the higher level of prosperity with an orderly plan of progress. There will come an evasion of all prices, both in labor and merchandising products. Times have been in recent few years when merchandising was uncertain. When you invested in stocks you had no assurance of prices and values being maintained at any level. Abnormal times have made fluctuations too frequent and too disastrous. I hope we have now reached normal conditions."

Geo. T. Graves—"The cotton crop for 1927 looks very promising and based on present showings we will get from 50,000 to 55,000 bales. The crop has reacted well during the past two weeks and now with favorable conditions obtaining we should realize as great yield as the crop of 1926. I feel optimistic over the outlook and believe that the general condition of the farms of the county will be greatly improved by reason of the good crops harvested this fall."

W. O. Newton—"We have perhaps 25,000 bales already made in Milam County for the 1927 cotton crop. Prospects are good for a yield equal to that of 1926 but our crop largely is to be matured yet. We have a perfect stand, a vigorous plant and plenty of moisture to produce an average or better crop. It must be remembered that the 1926 crops developed largely after August 15. I see no reason why we cannot make a splendid crop this year.

ACCIDENT VICTIM IS BURIED THURSDAY

FORMER MILAM COUNTY BOY DIES AT PAMPA FROM BURNS IN EXPLOSION

J. E. (Ed) Thrasher, 34, died at Pampa, Texas, Sunday, July 24, 1927 at 12:15.

Ed Thrasher was a former Milam County boy, having been born and reared at Jones Prairie and lived there until about six years ago, he decided to engage in the oil business. At the time of the tragic accident which resulted in his death, he was working at an oil field at Skelly, Texas. An explosion was caused from a defective engine and his body was quickly ignited in flames. He, with five of hist companions were burned, but he is the first to lose his life as a result. The fire occurred Friday 17th at 3:30 o'clock and he lingered until the 24th.

The body arrived in Cameron Wednesday afternoon on the Santa Fe and was taken in charge by the Coleman-Eplen Undertaking firm and conveyed to their funeral home where it lay in state Wednesday night. Funeral services were conducted by Rev. Lemons of Waco, pastor of the Little River church. Interment was made at Walkers Creek Thursday, July 28th at 9 a. m.

Many friends of the deceased and family visited the funeral home to look for a last time upon the remains of one who had experienced such an untimely death. Beautiful floral offerings were made and many acts of sympathy and kindness were shown the family by friends, whose hearts too, were filled with sadness in such an hour of grief. Besides relatives and friends, he leaves his family of five brothers, five sisters, father and mother.

The Herald joins others in extending the bereaved family its deepest sympathy in the loss of their son and brother.

Mrs. S. R. McCown and children and her brother Fred Thompson have returned from a delightful ten day visit to the west, spending several days with relatives in New Mexico. They reached Cameron last Tuesday afternoon and report a delightful trip to the western country.

SAM HARRELL GETS 20C FOR 484 POUND BALE

FIRST BALE OF SEASON ALSO GETS PREMIUM OF NEAR $100 FROM FIRMS

Sam Harrell of Jones Prairie brought in the first bale of 1927 cotton to be marketed in Cameron and this bale weighed 484 pounds and was sold for 20c per pound basis to Fritz Fahrendorf, cotton buyer.

The R. L. Batte No. 2 gin turned out the bale on last Saturday morning. The bale is a little late as compared with previous years but almost on an average of time with the first bales of the past.

Mr. Harrell received a premium of approximately $100 made up by the R. L. Batte gin among the merchants of Cameron. The crop of Mr. Harrell is said to be above the average for that fine section of the county and he expects a good yield.

The cotton crop in Milam County for 1927 is expected to be up to standard, or an average crop. This estimate would give the county 50,000 bales.

CAMERON BAR IS FOR COURT AMENDMENT

BAR ASKS SUPPORT OF VOTERS OF PROPOSED CHANGE IN HIGH COURT

The Cameron Bar through the committee and its president, W. A. Morrison in an address to the voters asks support of the amendment known as the "Judicial Amendment" which would increase the number of supreme judges to 9 as is the case of the supreme court of the United States.

The address published in this edition of the Cameron papers sets out the merits of the amendments as viewed by the bar of Cameron. The address is signed by W. A. Morrison, T. S. Henderson, E. A. Wallace and W. G. Gillis.

The bar is interested in this amendment and asks the voters of the county to support it at the polls on next Monday, August 1st.

Cal and Al, Prohibition and Tea Spoons; H. D. Club Reporter Philosophizes On Doings of Busy Body of Home Economics

My dear Editor-Man:-

The Ben Arnold H. D. Club met with Mrs. Vogelsang July 20, 1927 and ye scribe was absent, but excuses do not excuse with that president of ours. It's like I have often told you before when she says do, it just means 'Do.' If she would don a Western garb and join forces with Cal, Al Smith wouldn't have any show at all.

I thought I had such a good alabi and was sitting pretty, thinking I was going to get to enjoy somebody elses write up when here comes the summons to get busy. Never mind when I learn all Miss Bartholomew knows I'm going to quit all this club work and become a—Prohibitionist.

From what I can learn of all the so-called 'beverages' they experimented with over there last Wednesday we need one here. When a dear little sainted Dresden-China kind of lady asks for perfectly innocent grape juice to be all spiked up with rusty nails and puppy tails, and that kind of thing, it's time for some prohibition agent to sit up and take notice. And if that perfectly good dinner that has been hinted at doesn't materialize, I'm going to speak her name right out in meetin' too.

O, I guess I'm peeved because I have the work to do and didn't get any of the eats.

The Ben Arnold club has bought a very pretty set of ice tea spoons as a wedding present for our former agent, and had them on display right before Miss Bartholomew, I honestly do believe we have some members in our club who wouldn't care if we had to give up this agent also.

Blanks on the garden contest were handed in. A call made for members attending the Short Course at A. & M. to which several were to go. That is where I should be instead of sweating over this typewriter. Our president is down there and as that is a pretty fur piece I'm just going to be as sassy as I want.

Mrs. Moore from Runnels county gave a very interesting talk on club work there.

Editor-Man, we Ben Arnold H. D. Club women are not going to have it all work and no play. We are going in for 'Deep Drama' and I hereby serve notice that you are expected to be present. But more about that later on.

Our next meeting will be the third Wednesday in September with Mrs. Looney. We won't have a meeting in August as Miss Bartholomew takes a well deserved vacation and here hoping she will come back.

—Reporter.

CHARITY OF PYTHIANS COVERS WIDE SCOPE

CARE FOR AGED AND ORPHANS OUTSTANDING ACHIEVEMENT OF ORDER

"The Order Knights of Pythias maintains eighteen homes for aged Pythians and for widows and orphans. More than 5,000 men, women and children are residents of these homes. Approximately 4,000 acres of tillable land, buildings and equipment representing an outlay of $6,000,000 stands as a memorial to Pythian care of the unfortunate. The cost of maintaining these homes and of educating the orphans is about $500,000 annually."

This is a summary of the activity of the Pythian Order read before the local lodge at a recent meeting by Fred Henry, keeper of records and seal. The report was issued by the Supreme Lodge as an educational bulletin to give members of the Order a definite knowledge of the extent of this department of Pythian activity. These homes are located in eighteen states and during July and August hundreds of thousands of Pythians and their families will visit these homes. During August two large homes located in Indiana and Minnesota will be dedicated and a half million dollar unit will be completed at the home in California.

"The care of our aged and orphaned in the outstanding achievement of the Pythian Order," according to Chancellor Commander Earl K. Adrian. "Two departments of the Order's activity direct the work in this endeavor. Our homes are shrines of Pythian devotion where the aged finds protection and the child is given the care of home when a tragedy crosses its pathway. Pythian investment in this welfare work, while but a part of the Order's objective, has assumed proportions of great importance in what is being wrought for human welfare.

"The other auxiliary devoted to the care of the Pythian family is its Insurance Department which has recently announced free medical examination for all members and their families. The Department maintains a medical staff and a large laboratory for this service. No attempt is made to treat disease, the object being to detect any lurking malady by laboratory tests so that the member or any of his family may go to a physician in time to arrest the disorder before it is too late for a corrective measure. For a number of years the Department has operated a laboratory health test for the members of the Department. The extension of this service to all Pythians and thier families is in keeping with the development of practical fraternity to the home and family need."

Chancellor Commander Adrian urged all members of the lodge to take advantage of this personal service offered by the Department by writing to the Home Office for blanks and containers necessary to make the test. He also announced that the Department would celebrate its fiftieth anniversary in August at which time it will have paid to widows and orphans of members more than $60,000,000.

VOTERS URGED OUT IN CRUCIAL BALLOT

OPPOSITION BELIEVED STRONGER THAN PROPONENTS OF MEASURE

Next Monday, August 1st is election day.

Voters are urged to go to the polls and vote. The occasion is the proposed amendments to the constitution submitted by the last legislature.

The amendments are as follows: The Judicial amendment to increase the number of supreme court judges from three to nine and to permit transfer of district judges; The tax amendment to permit separation of taxation and permit the Legislature to levy taxes for state purposes and to leave ad valorem taxes for county and municipal purposes; The salary amendment to increase the salary of the governor to $1,000 per year and to raise the salaries of the members of the Legislature not to exceed $1500 per year; The amendment to abolish the fee system and to permit the Legislature to fix salaries for all public officials except those fixed by law.

Governor Moody and others have been speaking for the amendments over the state. Administration partisans are generally expected to support the amendments, especially the court amendment but indications are that the amendments will be lost as opposition is pronounced throughout the state. It is believed that in view of the fact that the governor and others have virtually concentrated on the court amendment that the other amendments are meeting overwhelming opposition.

Opponents of the amendments believe all will be defeated. It is important that the people go to the polls and vote. The fact that four changes are proposed in the constitution should excite the interest of the people to safeguard their rights as guaranteed in the constitution and to vote for or reject all amendments not calculated to promote the best interests of the people.

Bryan School Head Will Preach Here

H. L. Durham, superintendent of city schools of Bryan, will occupy the pulpit at the Baptist church at the morning end evening service Sunday, according to Mr. Gus Evans, chairman of the board of deacons.

Mr. Hutcherson with his wife and baby left Monday for Milford where he will be in a meeting for the next two weeks.

GAS COMPANY EXTENDS ITS LINES SOUTHWARD

TAYLOR AND GEORGETOWN MAY GET GAS AS LINE GOES TOWARD AUSTIN

The following announcement will be of interest to Cameron people, the commercial club recently having under advisement a proposition for natural gas in Cameron by the Lone Star Gas Company:

Austin, Tex., July 26.—The Lone Star Gas company of north Texas will build its lines from Temple toward Austin regardless of whether that company contracts to supply Austin with natural gas, F. L. Chase, vice-president of the Lone Star Gas company indicated in a conference here today with the citizens' natural gas committee.

"We contemplate building lines to Georgetown and Taylor at the present time, subject to the action of the board of directors," Mr. Chase was quoted as having told the committee.

Indians are given free tuition at Dartmouth College. Three full-blooded Indians will matriculate at Dartmouth this year.

Blueberry or huckleberry leaves are the source of the latest extract to be successfully used in the treatment of diabetes.

Miss Rogers To Sing At Baylor University

The following was taken from an account published in the Baylor Lariat, July 21, 1927, and will be read with interest by friends of Miss Eloise Rogers:

The summer session offering on the Sam Houston Steinway square piano will take place at eight o'clock on the evening of Tuesday, July 26, when the first class in Texas history ever to have been taught in the summer term at Baylor University will be the honorees.

This is the third recital on this historic key-board. Mr. Robert Markham, member of the Baylor University school of Music, who has recently returned from a leave of absence spent in intensive musical study in New York City, will be the pianist. Miss Eloise Rogers of Cameron, Texas, who will, in September, be added to the personnel of the School of Music, will give voice numbers.

It is the intention of the history department to offer once each term a recital on this historic piano. The intention is the result of the expressed wish of friends of Texas history to hear in action this instrument of both musical and historical significance. Each time the audience has to be an invitation group owing to the limited seating capacity of the Texas history library.

NOTICE

Telegram to F. A. Hernandez. On account of urgent business will not be there on the 23rd but announce that I will be there on the 27th till the 5th of August. Rev. M. D. Godinez, Houston, Texas.

Barron-Bradley

Notice of the marriage of Miss Mildred Bradley of Calvert to Mr. Raymond Barron appeared in the Calvert Tribune last week. The bride is the daughter of Mr. and Mrs. E. J. Bradley, who formerly resided in Cameron. The family is well known in Milam County, Mr. Bradley having served as Deputy Sheriff for a number of years. On several occasions Miss Mildred Bradley has had interesting parts on District Epworth League programs here, representing the Calvert league.

She is a very popular young lady and her friends everywhere will wish for her a wedded life filled with happiness.

Mr. Raymond Barron and Miss Mildred Bradley, a popular young couple of this city were united in marriage at high noon Tuesday at the home of the bride's parents Mr. and Mrs. E. J. Bradley, Rev. Buttrell of Palestine officiating.

Immediately after the ceremony Mr. and Mrs. Barron left for Austin where they will spend several weeks.

Mrs. Cunningham of Galveston Will Run for Seat in Senate

Austin, Tex., July 19.—Mrs. Minnie Fisher Cunningham, Galveston, secretary of the national democratic women's executive committee, intends to run for the United States senate in 1928, opposing Earle B. Mayfield of Austin, imcumbent, it was learned today.

Mrs. Cunningham is known as the foremost Texas agitator for women's suffrage and was one of the women who carried the fight to Washington.

Her friends are said to believe she will amass a huge feminine vote and that she is by far the most powerful woman politician in Texas.

Mrs. Cunninghom's entry adds to what is regarded as an interesting political development since former Governor O. B. Colquitt of Dallas is another avowed candidate against Mayfield. At least two others have been spoken of as probable contenders, and Governor Dan Moody has not said that he will not be among senatorial aspirants.

SUE McCLAREN WITH TEXAS STATE BANK HERE

Miss Sue McClaren, daughter of Mr. and Mrs. S. W. McClaren and a graduate of Toby's Business College of Waco, has accepted a position as bookkeeper with the Texas State Bank and Trust Company. Miss McClaren is now at her post of duty, and will be very glad to have her friends call.

An ancient Toltec poem depicting the splendors of the city of Tula in its golden age has been unearthed in Mexico. It is known as 'The Song to Quetzalcoatl,' and was put into written form by the Spanish historian, Sahagun, at the time of Cortes' conquest.

As a means of reducing surplus stock, cooperative stores of Lukoyanovsk, Russia, have introduced a 'safety pin currency,' returning shamm change in safety pins, one for every kopeck.

CLEAN UP ORDINANCE

Below is the dry closet ordinance recently passed by the City Council. Please see J. C. Joseph, City Secretary, at once and get your license for the cleaning, which will be done regularly. The wagon is now ready to operate.

CUT YOUR WEEDS

Cut your weeds around the premises. Rake up all the trash and burn all that is burnable. Put the cans and unburnable trash on the street line for the city trucks to haul away.

OIL FOR MOSQUITOES

Examine your premises for standing water, such as rain barrels, refrigerator drips, bad gutters, old cans, etc.

AN ORDINANCE

An ordinance regulating the use of and licensing dry closets or privies within the corporate limits of the city of Cameron, prescribing rules for their construction, maintenance, cleaning and the fees to be charged by the city of Cameron; forbidding the cleaning of said closets and privies by others than employes of the city of Cameron, prohibiting the burial of human excrement or fecal matter within the city limits, except by permit of the proper officer and declaring an emergency.

Section 1. Be it ordained by the City Council of the City of Cameron, Texas: It is unlawful for any person, firm or corporation to maintain or permit the use of any dry closet or privy on premises owned or controlled by them within the corporate limits of the city of Cameron, without first obtaining a license therefor from the City Secretary of said city.

Section 2. The license fees are to be paid at the office of the city secretary yearly or quarterly in advance. If paid yearly in advance a discount of ten per cent will be allowed. A license fee of six dollars per year or $1.50 per quarter will be charged for each dry closet at residences and this shall be the maximum fee for any closet whether described or specified in this ordinance or not. A license fee of twelve dollars per year or three dollars per quarter will be collected for each dry closet for boarding houses, rooming houses, or stores or other buildings, industrials, commercial, religious or social. A license fee of twelve dollars per year or three dollars per quarter will be collected for each dry closet for each hotel or wagan yard. It is understood that the above fees are to be paid for each dry closet or privy maintained and that if more than one is maintained upon the premises an additional fee or license will be collected for each and every additional dry closet or privy maintained. Ne deduction for license fees will be made for nonuse of closets or privies maintained.

Section 3. All dry closets or privies shall be properly closed with lids for seats and made tight so that flies cannot enter the container of fecal matter, not the contents of the container leak out. Closets shall be located, when practical, near alleys, and shall be easily accessible to the scavenger for cleaning. Closets that are inaccessible to the scavenger may be required to be placed in an accessible location, and closets that are obnoxious or unsanitary may be required to be rebuilt to conform to specifications of the city of Cameron. All new closets or privies that are rebuilt must be as per plans approved by the city of Cameron. No dry closet or privy shall be built or maintained within six feet of any drain or ditch.

Section 4. That the cleaning of all dry closets or privies within the city of Cameron, shall be done exclusively by the sanitary department of said city and it shall be unlawful for any private citizen to do such work unless empowered by the city council. It shall be unlawful for any person, firm or corporation to bury or have buried within the city limits of the city of Cameron any sewage or fecal matter of human excrement. It shall be unlawful to put rags, cobs, cans, ashes or any other substance except paper in the part of the dry closet or privy used as a container or receptacle of fecal matter. All rubbish that cannot be burned shall be placed in boxes or barrels near the closet easily accessible to the scavanger. Unsanitary condition or lack of attention to dry closets and privies must be reported to the city sanitary inspector, by the owner or user thereof. No charge for cleaning closets will be made by the sanitary department of the city of Cameron and same will be cleaned as often as necessary, not less than once a month. No closet will be cleaned upon which the license fee has not been paid. The license payments are due and must be paid on or before January 1st, April 1st, July 1st and October 1st, provided, however, that new closets coming under this regulation for the first time and at the organization of the system the unexpired quarter must be paid for at the proportionate rate, and at the time the right to use is acquired, or the new closet built.

Section 5. The sanitary officer and scavengers, or other officers and employees of the city of Cameron, who may be designated from time to time by the mayor or the city council shall have access to the premises on which dry closets and privies are located for the purpose of claening and inspecting or abating same or for sanitary purposes of any kind. Any one who shall hinder or attempt to interfere with the above employees in the discharge of their duties shall be guilty of a misdemeanor and punished as hereinafter provided.

Section 6. Any person using or permitting the use of any dry closet or privy contrary to the provisions of this ordinance without a license and paying a fee for the same, or any person or persons refusing to construct a dry closet or privy, in accordance with those provisions and the instructions of the officers of the City of Cameron, or any person refusing to give access to his premises to the sanitary officer or employees of the city of Cameron, contrary to the provisions of this ordinance, or any person who shall injure or destroy any receptable or other property of the city used in this department, or use same in a manner or for a purpose contrary to the provisions of this ordinance, or any person failing or refusing to comply with any of the provisions of this ordinance, shall be deemed guilty of a misdemeanor, and upon conviction thereof in the corporation court shall be fined in any sum not less than one nor more than ten dollars, and each days violation shall be deemed a separate offense and punishable as such. Complaints of violation of this ordinance shall be filed with the city attorney by the Sanitary Inspector or City Marshal.

Section 7. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 8. The fact that the city of Cameron now has no adequate dry closet law and the sanitary regulations are inadequate, creates an emergency and an imperative public necessity that the rule requiring ordinances to be read on three separate days be suspended, and the same is hereby suspended, and this ordinance shall take effect and be in force from and after its passage and legal publication.

Passed and approved this the 23rd day of June, 1927.

JUDD G. DAVIS, Mayor,
City of Cameron, Texas.

Attest:
J. C. JOSEPH, Secretary,
City of Cameron, Texas.

Let's clean up the city and help keep down diseases. Report any unsanitary condition to,

DR. G. E. SUTTON, Sanitary Inspector

DR. W. B. CALDWELL AT THE AGE OF 83

Constipation! How to Keep Bowels Regular

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated men, women, children, and particularly old folks, had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all headaches, biliousness, indigestion and stomach misery, he did not believe that a sickening "purge" or "physic" was necessary.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which helps to establish natural bowel "regularity" even for those chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sickens, or upsets the system. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

Dr. Caldwell's SYRUP PEPSIN

MAN IS CUT AND FIGHT FOLLOWS KLAN PARADE

KNIFE AND PISTOL ALSO USED IN DALLAS COUNTY FREE-FOR-ALL

Grand Prairie, Tex., July 24—Two men are under arrest here in connection with the disturbance here Saturday night during a Ku Klux Klan parade and speaking. Several persons who participated in the melee are nursing minor injuries as the result of the clash which was precipitated when a spectator made a remark to a woman in klan regalia, marching with the klansmen.

A klansman, who took exception to the remark, and the spectator started the fight and nearly a score were in it when seven deputy sheriffs from Dallas arrived and terminated the affair.

Sidney Burk of Grand Prairie was the most seriously injured, he being cut with a knife. A pistol was displayed in the affray, but most of the fighting was with fists.

The klansmen and klanswomen, numbering about 250, said to be from Dallas, paraded the streets and a woman klansman addressed a large crowd. It was as the parade ended and the speaking began that the disturbance occurred.

Stop That Itching

Use Blue Star Soap to cleans the effected parts, then apply Blue Star Remedy. It penetrates the skin, kills out the germs, stops the itching at once, and restores most cases to a healthy condition. Eczema, Tetter or Cracked Hands, Poison Oak, Ringworm, Sore Blistered Feet, Sunburns, Old Shin Sores—all of these have yielded to its wonderful healing power. 60c and $1.00 a Jar; Soap 25c.

Boy Scouts Attend Church In a Body

A special sermon for Boy Scouts was preached Sunday morning at the Episcopal church by Rev. J. P. Love, pastor. The Rosebud Scouts on a camping trip to Little River were in attendance and the local troops under Matula, Hackabeil and Rodesney attended in a body.

Rev. Love is chairman of the council here and is taking an active and helpful part in the scout work. The service was very appropriate and thoroughly enjoyed by the Scouts.

J. C. Martin Named Head of Lions Club

J. C. Martin has been elected head of the Cameron Lions Club and has begun his duties as president. On the occasion of his inauguration last Tuesday Mr. Martin made a plea to the membership for promptness in the meeting and the dispatch of business and asked the co-operation of everyone in promoting the program of service to Cameron and Milam County.

Mr. Martin has been active in Lion work and his administration is looked forward to with hopes of greater progress by the entire membership.

Cameron Fruit Co. Add More Buildings

Construction is well under way by the Cameron Fruit Company on the construction of an addition to their warehouse facilities. The building being erected will almost double the capacity of the present warehouse.

The building is of iron and frame construction and will give the company much needed additional storage.

S. Kestenbaum, manager of the busienss, has succeeded well in the operation of the wholesale firm. From a modest beginning several years back he has developed one of the city's best and most valued wholesale concerns and its growth and development is keeping Cameron in the front rank as a wholesale center.

Watermelon Feast

A delightful watermelon feast was given Monday evening at Wayside Inn honoring Mr. and Mrs. McCrory of Ardmore, Oklahoma, who are visiting in the home of Mr. and Mrs. Lane Thomas. Those enjoying this delightful affair were: the honorees, Mr. and Mrs. McCrory, Mr. and Mrs. W. H. Stafford, Mr. and Mrs. W. B. Levy, Mr. and Mrs. A. E. Schiller, Mr. and Mrs. Dow Eplen and Morris Eplen.

Dan Tyson and Family Return From Vacation

Mr. and Mrs. Dan Tyson and their children, Jane and Sam Dan, have returned from Galveston and Austin where they spent more than a week on a vacation.

Mr. and Mrs. Tyson returned Monday afternoon from Austin. They went to Galveston for a few days and then to Austin where they visited relatives for several days.

They returned home reporting an enjoyable time and the rest will be greatly beneficial to Mr. Tyson who is assessor and collector for the city of Cameron.

Drink Water If Kidneys Hurt

Take a tablespoonful of Salts if Back pains or Bladder bothers.

Too much meat may produce uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back, or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts, take a tablespoonful in a glass of water before breakfast each morning, and in a few days your kidneys may act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to help neutralize the acids in urine so it is no longer a source of irritation, thus often ending urinary and bladder disorders.

Jad Salts is inexpensive and can not injure; makes a delightful effervescent lithia water drink, and nobody can make a mistake by taking a little occasionally to help to keep the kidneys clean and active. Drink plenty of water at all times.

E. A. Bigbee Appointed Magnolia Agent Here

E. A. Bigbee has been appointed agent for the Magnolia Oil Company to succeed J. H. Du Bois, resigned to become associated with the Gunn Oil Company. The check in for Mr. Bigbee as the wholesale and retail agent was effected Friday, July 15.

Mr. Bigbee for more than a year has been selling Magnolia products at the Magnolia filling station here and is well equipped to become the distributor of Magnolia products in this territory.

B. L. Archer who has been assistant to Mr. Bigbee at the Magnolia station has succeeded to the management of the station. He is thoroughly familiar with the needs of the public in the service station he will manage and his many friends here will welcome him as manager.

Mr. Bigbee is given a fine advance in the business, now holding a much better position with the company and having been born and reared in Cameron his many friends will be pleased to learn of his progress with the company.

Palace of Sweets Adds Sundry Lines For The Trade

Walter F. Sharpe, enterprising and progressive owner of the Palace of Sweets has taken another step to serve his patrons and finds a good response to his line of sundries and toilet articles.

Mr. Sharpe has improved the appearance of his fine place with this new line and believes his patronage will increase. Last winter the Palace of Sweets took on the United Cigar Store line and this has been a success with Mr. Sharpe.

J. H. DuBois Leaves Magnolia Service For Gunn Oil Co.

J. H. Du Bois who has been with the Magnolia Petroleum Company as agent and distributor for this territory for the past several years, has severed his connection with that company and has purchased an interest in the Gunn Oil Company and will be active in the service of the newly formed Cameron business.

Mr. Du Bois has been active in the sales and service of Magnolia products for a long period of time and therefore comes to the service of the new company well equipped for the service it is to render as the newest Cameron business.

Wilson Gunn, as announced several weeks ago in these columns, began business here on the first day of July and his business has prospered and his patronage has been very satisfactory. Mr. Gunn is an experienced oil man and formerly held a high position with the Magnolia. Both men are well equipped to make the new company succeed.

They will now begin active co-operation as owners of the Gunn Oil Company to give the public the best in service and they will appreciate a portion of your patronage.

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist

New Dodge Expected Here On Thursday

The Sapp Motor Company expects to receive one of the new Dodge cars this week, possibly Thursday. This car will be one of the new Dodge cars in the small series now being built. Considerable interest is manifested in the new series and the company has been delayed in getting one of the cars on account of the demand.

Baptist W. M. S.

The W. M. S. met in circles Monday afternoon for a study in Royal Service with "Baptist Summer Schools, Encampments, etc.." as the topic for discussion.

Circle one met with Mrs. Harvey Dobbins with fourteen present.

Circle two met with Mrs. Dan Gunn with nine members and two visitors present.

Circle three met with Mrs. R. G. Grabein with eight members and one visitor present.

Thirteen ladies of circle four went to the colored First Baptist church and presented a very interesting program. Mrs. J. B. White of circle two also attended and gave a splendid talk on "Personal Service."

A business meeting will be held at the church next Monday afternoon.

Pastor Holding Meeting

Rev. E. S. Hutcheron, pastor of the First Baptist church, left Cameron Monday for Milford where he will hold a two weeks meeting with the Baptist congregation there.

Mr. Hutcherson held a revival meeting there three years ago and has been invited back again for another meeting. Th last meeting held there resulted in 48 additions to the church H. B. Black, educational director will return here Saturday to take charge of the local work while the pastor is absent. Mr. Black is now at Milford and will assist the pastor in the meeting there.

Science Notes

What is reported to be the deepest spot in the ocean yet recorded was measured recently by sailors on the cruiser "Emden" en route from the Dutch East Indies to Japan. The sounding was 34,416 feet, or close to 2,000 feet deeper than the previous 'deepest spot' off the coast of Japan.

Instruments to utilize more effectively the healing power of music have been designed by a concert pianist and a scientific investigator. With their apparatus, the long or audio waves are imposed on rays that penetrate the body resulting in vibrations which are said to be of great benefit in relieving nervousness, depression and other ills.

Wetting brick work for a period after laying, does not add to its strength according to tests by the bureau of standards. For more than six months walls were built and crushed. brick of different grades used and pressures ranging from 2,500 to 6,500 pounds to the square inch applied.

High powered airplane propeller blades made from ordinary canvas pressed into a noncorrosive product of metallic strength are to be used on the navy department's training planes. The new material is likewise used for the manufacture of pulleys. Because of its water-resisting and moisture-proof nature, parts manufactured of this material have been accepted as standard equipment by the United States army and navy.

Dishes in which gelatin deserts have been served, may be found broken if they are left standing for some time without washing. The reason is that when the gelatin dries, it exerts a force strong enough to pull the dish apart or to chip it, in some instances. Egyptians similarly used wooden wedges, soaked with water, to split rock. The expansion of the dried substance in the wood caused the stone to break.

Imitation Italian travertine is now furnished in a fabric wall covering that is easily applied and is said to closely resemble the natural material. It is impervious to water and can be washed with soap if it becomes soiled. Different colors are provided and a nonrepeating block design is followed in the pattern to increase the effectiveness of the material for interior decorating. It is easily repaired if damaged and may be removed whole for use on another wall.

New wood can be treated to give it an aged appearance with a mixture of a solution of hydrogen peroxide and hydrochloric acid, four parts of the former and one of the acid. The liquid is painted on, allowed to dry and the antique coloring develops quickly The acid may afterward be neutralized with ammonia.

—Popular Mechanics Magazine.

New Baker Here

Jake Posey of the Model Bakery announces the employment of K. O. Whitten of Houston as baker. He has been engaged in baking in south Texas for some years and is here under the best of recommendations. Beginning this week he will have charge of the bread baking at the bakery.

Mayor Davis and Family Leave for Junction

Mayor Judd G. Davis and Mrs. Davis and their two children, Gladys and John, and Miss Doris Davis of Sharpe left Cameron Tuesday morning for a ten day trip to Junction near Kerrville.

The mayor and family will remain in the mountains for a delightful outing and Mr. Davis will fish some while away. They expect to return in about ten days.

The many friends of Mayor Davis and family here wish for them a pleasant trip.

Birthday Party

Mrs. L. F. Gohmert entertained sixty-one little boys and girls at the City Park Tuesday afternoon from 5 to 7 o'clock honoring her little daughter, Dorothy's eighth birthday.

No effort was spared to make this party a very enjoyable occasion for these young folks. Mrs. Gohmert was ably assisted in entertaining by Mrs. J. B. White, Mrs. Tracy Hobson, Mrs. H .C. Keith and Mrs. Earl Esslinger. The little honoree was the recipient of many pretty gifts, which were placed on the table around the birthday cake. Every guest present enjoyed the interesting fairy stories told by Mrs. J. B. White. Novelty gifts were received by each one from the fishing pond. Throughout the afternoon individual cakes and lemonade were served.

The large birthday cake centered a table attractively decorated in pink crepe paper, Queen's Wreath and fern. Mrs. Hobson cut the cake, which was served with ice cream cones. Evelyn Dickens received the dime, Julian Baskin, the wishbone. Dana Monroe the thimble, Tom Hobson the button and Dianne Luckett the ring.

Each girl was given a fan as a favor and the boys received marbles.

W. O. Newton Back

Mr. and Mrs. W. O. Newton and their sons have returned from a visit to West Texas, El Paso and portions of New Mexico, where they spent a delightful vacation.

They made the trip in their new Essex six and report good roads and delightful climates in the higher altitudes of the west. Mr. Newton is back at his post as active vice-president of the Citizens National Bank.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

Modern Fronts For Cameron Buildings

Old awnings popular of construction in the nineties in Cameron are fast disappearing. The last to fall is the awning over the city market. Mr. Worcester not only will have a first class modern refrigeration system in his market but will have a modern front as well.

The awning is being rebuilt, adding greatly to the appearance of the building Practically all the old buildings have been made modern in appearance and the business district is greatly improved.

Editor Cobb Away

Wm. M. Cobb, editor of the Cameron Enterprise, is at College Station this week attending the Farmers' Short Course. Mr. Cobb is combining a little business with pleasure on his vacation and expects to be away from his office for a week or more.

Mr. Cobb attends the short course each year and enjoys it. His friends here among the press and elsewhere wish for him a enjoyable vacation.

The FOUR AMENDMENTS OPPOSED

BY J. K. FREEMAN

The amendment for an increase in salaries of Public Officers provides:

That the governor shall receive a salary of $10,000.00 per year and the use of the mansion, fixtures and furniture;

That the members of the Legislature shall receive a salary not to exceed $1500.00 per year and actual traveling expenses.

If an increase in the Governors salary will bring about a better administration for the people, then the salary should be increased; but if the increase is solely for the benefit of the Governor, with no expectation of a better administration, then the salary should not be increased. If the custom is to continue, for those who are interested in the election of a Governor, to spend large sums of money in his behalf in the primaries, then it is doubtful whether an increase in his salary will be of any benefit to the people.

Something should be done to raise the standard of the Legislature. There are at present about one hundred and twenty-five members in the House, and thirty-one members in the Senate; and it will be unwise, unpatriotic and unstatesmanlike to raise the salary of all these members to $1500.00 per year. The members of the Legislature should be reduced to sixty or sixty-five members, and then some different arrangement for their pay should be provided.

The raise in the governors salary and the raise in the salaries of the Legislature is in the same amendment, and the two propositions cannot be divided. If you vote for one, you must vote for the other; and if you vote against one, you must vote against the other. Unquestionably, the amendment, in the form in which it is submitted, should be defeated.

The tax amendment provides:

That the Legislature may separate the objects of taxation for State purposes from the objects of taxation for County purposes; and may provide for the levy of a tax on certain classes of property for State purposes only; and may provide for the levy of a tax on other classes of property for County purposes only.

The amendment provides that the "tax rate" shall not be raised; but it does not provide that the "assessed tax value of property" shall not be raised.

By the adoption of this amendment, the people will surrender all right and voice in fixing the tax value on their property assessed for State purposes; the amendment will give to the Legislature the authority to appoint officers, with full and plenary power, to fix, and raise without limit the tax value on all property assessed for taxes for State purposes.

The Commissioners Courts will have no authority to equalize or fix the tax value on any property assessed for taxes for State purposes. Such officers, appointed by the Legislature, can raise the tax value on black lands now assessed from $30.00 to $40.00 to $70.00 or $80.00 or more; and when such assessments are made, the people will be helpless and without remedy to correct the abuses.

The black lands of this State are now paying annually a tax of $1.00 to $1.25 per acre; and to double this tax by doubling the assessed tax value, will practically destroy the value of the property to the owner. He cannot pay it.

This amendment should not have been submitted. It is a request to the people to sacrifice to the Legislature all of their rights in the great problem of taxation. It is doubtful if a free people, in all the history of the world, were ever called on to make a sacrifice so great as the one requested in this amendment.

Every voter owes a duty to his country. He owes a duty to himself and to his family to put forth every effort to defeat this amendment; and the voter who fails to put forth such effort, fails in a solemn duty.

Arthur M. Brown Is Buried at Rockdale

Rockdale, Tex., July 23.—The body of Arthur M. Brown, who died July 16, at Los Angeles, Calif., arrived in Rockdale, Friday morning and was conveyed to the home of a brother, Homer Brown. Funeral services were held Friday afternoon when Rev. A. R. Toby of the First Baptist church was the officiating minister. Interment was made in the Murray Community Cemetery, under the auspices of the American Legion. Arthur M. Brown was born February 10, 1889, and was a World War veteran. Early in 1915 he served with Black-Jack Pershing in Mexico in pursuit of Villa. He went overseas in June 1918 and saw service in France and the Argonne as a member of the 158th Infantry, 77th Division. He returned to the United States in April 1919. He was married on April 8 to Miss Ethel Ivy Fischer. He leaves his widow, Ethel Brown, father, A. D. Brown and one brother, Homer Brown of near Rockdale.

Sound Values!

As Hupmobile dealers, our trading policy is one of the most conservative in the industry. Thus the used cars we offer represent exceptionally sound values based on the actual condition and worth of the cars themselves. We highly endorse the following used cars now on view at our Used Car Department.

One 1924 Ford Touring. A-1 shape. New tires, new battery and new paint.

Two 1925 Ford Tourings. Reconditioned new parts and rubber where needed.

One 1924 Ford Coupe. See and drive it.

One 1924 4-Door Sedan. Another good buy.

One 1925 Essex Touring. New Duco, condition guaranteed.

Other cars cheaper—Terms if desired.

Coleman County Soil Survey Now Ready for Circulation

A report of the soil survey of Coleman County, Texas conducted by the United States Department of Agriculture in co-operation with the Texas Agricultural Experiment Station, has just been published by the department and is ready for distribution to interested persons. The survey was undertaken for the purpose of ascertaining the character of the various soil types with a view to assisting local farmers adapt their crops to the soil to the best advantage.

The report contains 40 pages of text and a large colored soil map. It describes in detail the numerous types of soil, indicates their extent and distribution, and suggests suitable crops and cultural practices. There is also a discussion of the topography and drainage, roads and other transportation facilities, markets, climate and agriculture of the area.

The agriculture of the county consists largely in the production of cotton, corn, wheat and oats, the acreage of cotton ordinarily being as large as that of all other crops combined. Oats constitute the leading feed crop. Some orchard and small fruits and certain vegetables are grown for local use. Poultry raising is becoming increasingly important, and during a recent season many of the farmers reported a larger income from their flocks of turkeys than from cotton.

Slightly more than half of the farms and ranches are operated by tenants, and the number thus worked is gradually increasing. Latest census figures place the average size of the farms of the county at 265.2 acres and the average value of the land at $28.65 per acre. About 40 per cent of the land is improved.

A copy of the report may be obtained free, as long as the supply lasts upon application to the Department of Agriculture, Washington, D. C.

Buick Motors Will Handle 'Anti-Knock' Gasoline Dealer Says

"Numerous inquiries have been received as to the use of Ethyl gasoline, or other special "anti-knock" engine fuels, in Buick cars," says A. E. Schiller of Schiller Buick Co.

"The Buick Valve-in-head Engine is a high compression engine, designed to handle in a most satisfactory manner, the general run of gasoline—both low and high tests—that the car owner might wish to purchase, if touring the country. It will also handle Ethyl gasoline or any other properly refined "anti-knock" fuel."

Corns

Lift Off—No Pain!

Doesn't hurt one bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers.

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the foot calluses, without soreness or irritation.

Railroad Interested In Scout Movement

Rockdale, Tex., July 23.—L. A. Baxter of the Southern Pacific lines, has employed A. F. Sawyer as National Field Scout Executive to do organization work in the Boy Scout movement in Texas and Louisiana. Sawyer will visit Rockdale in the near future to lend his aid and assistance to the local Boy Scout work.

The management of the Southern Pacific has decided to employ a Boy Scout executive because of a desire to assist in the development of the youth in system of towns, along with moral and physical lines, and also to create a greater regard for safety as applied to life and property interests.

VOTE AGAINST THE AMENDMENTS

Next Monday, August 1st the people of Texas are to vote on the four amendments submitted by the last Legislature proposing radical changes in the Constitution and it is the duty of every voter to go to the polls and vote. If the electorate will give an extended expression on these amendments, The Herald feels that a satisfactory result will be obtained and the verdict will be representative.

In times past expressions by ballot have not been as extended as desired on Constitutional amendments, for in submitting changes to our Constitution the procedure is a grave one and the people should always be deliberate in registering their sentiment on such measures.

The Herald is opposed to all of these amendments and calls upon the people of Milam county to vote to reject them at the polls on next Monday, August 1.

Sentiment has been fairly well clarified on these amendments by this time as proponents of the measures have been before the people in speaking campaigns and those opposed have advanced their reasons for rejection.

It is not enough to say that it is a bad policy to amend the Constitution of the State without cause or apparent public demand. The amendments as submitted are entitled to frank and fair discussion but after weighing the measures The Herald believes they should be defeated and hopes that the people of Texas will reject them, certainly desiring that the voters of Milam county will register their protest.

So much has been written about these amendments that the voters are by this time familiar with their provisions but in order to make our position clear we offer reasons for opposition in addition to the well established belief of this paper that changes in the constitution are matters of greater concern than many concede and it is usually wise except in cases of plain demand, to reject any and all proposals to change the magna charter of the fathers.

The Herald calls upon administration partisans to weigh these matters well and not be influenced by admiration for individuals who may be supporting or proposing them, and we believe that the sound judgment of the people of all political beliefs will solve these questions right when the day for balloting arrives. Certainly it could not be urged that these amendments should pass or be rejected because of any past differences about issues or individuals. The question is a serious one and calls for the candid, mature thought of all the people because the Constitution and rights of the people are things to be guarded with uniform fidelity. Rights, once surrendered are probably never regained.

Without exception each of the amendments, if adopted will add greatly to the tax burden of the people.

We are opposed to the tax amendment because it would defeat local self government and open the way for Legislative acts for taxing and would impose many additional burdens on the people, notwithstanding the claim that it would relieve the lands of the state. There are now on the statute books of Texas laws that if enforced would equalize the burden of taxation. We are opposed to the amendment because we are opposed to the suggestion that a state tax board to set values be created, and arbitrarily, and without knowledge of local conditions impose these additional burdens.

We are opposed to the salary amendment because the Legislature would be given powers to raise and fix salaries of its members in excess of all reason and would bring about an additional tax burden to the people of Texas. It is argued that the governor should have $10,000 a year. To this we interpose no objection but a half million a year is too much to pay in salaries for members of the Legislature. Salary increases would not raise the standard of the Legislature. Its membership should be cut down and a more economical administration could be had without adding to the tax burden. The maximum allowance for salaries to members would mean pay of $30 per day for the members besides traveling expenses.

We are opposed to the amendment to abolish the fee system of Texas because it would remove the burden of expense from those who violate the laws of the state and place it upon those who do not violate the laws, and in addition would bring about a direct levy for salaries for every public official in Texas, thus increasing the burden of taxes collected by the state, and these taxes, amounting to millions must be gotten from sources other than now on the tax rolls of the state. We are not willing to leave such a stupendous extravagance, illogical and preposterous privilege to any Legislature. We are opposed to this amendment because it would destroy among many, an enthusiasm for law enforcement. We are opposed to it notwithstanding the court rulings that frown upon the fee system.

We are opposed to the Judiciary amendment because it would increase the tax burden of the people and would not assure, in our opinion a greater degree of intelligence for the court, its members to be made up immediately by appointment of political friends without respect to their abilities as lawyers. This latter objection is voiced without respect to any executive. If the amendment had merit, judges should be selected at the same election in which it is adopted. We object to the transfer feature of judges not because we oppose relief of congested dockets but it is a blow at local self government and notwithstanding the fact that the law is the same in all localities, transfers would give rise to much dissatisfaction. If relief is needed, the solution is more judges elected by the people and not transfers.

Many reasons, whether logical or not, will be advanced in favor of these amendments. All that has been said here, is necessarily restricted to briefness and much could be said against these amendments not permitted here.

The Herald has no desire to engage in political controversy over these amendments and what is said here is said out of desire to defeat only these measures which we consider, illogical, dangerous and should never have been submitted to the people of Texas.

VOTE AGAINST THE AMENDMENTS!

SACCO AND VANZETTI

On April 15, 1920, a paymaster and his guard were robbed and murdered at a shoe factory in Baintree, Mass. Two Italians, Sacco and Vanzetti, were suspicioned and arrested. A number of their statements made at the time of their arrest were afterwards proved to be false; other circumstantial evidence pointed to them as the perpetrators of the crime. They were tried, found guilty and sentenced to die.

The time that has elapsed since then has been taken up by two motions for a new trial and by proceedings in review leading to two decisions by the Supreme Court, which affirmed the procedure of the lower court. The date of the execution was July 10, 1927, but it has lately been deferred to August 10, 1927, by Governor Fuller of Massachusetts, who has placed the case in the hands of a committee for complete review of the facts to determine the justice of the decision.

It is unusual that though seven years have elapsed since this crime was committed interest in the case has abated but little. Almost daily it is discussed in the columns of the newspapers. Governor Fuller has been swamped with petitions and letters, not only from this country but from the latter mentioned source. The representatives of 20,000,000 trade unionists and socialists throughout the world at a meeting in Geneva voiced the opinion that clemency should be used in the case of these two men. Large mass meetings were held by the organized workers of New York recently to voice their protest. The names of some speakers at those meetings such as Fiorello La Guardia, Abraham Shiplacoff, Arturo Giovannitti, Jacob Margolis and Vincenzo Vacirea, do not sound very American.

During the course of the trial of Sacco and Vanzetti it is said to have been brought out that the two men were valued members of a communistic organization of world-wide membership. It is argued by the supporters of the two Italians that being tried during a time of excitement in this country, when anti-socialism and anti-radicalism prevailed, when foreigners were looked upon with suspicion, that they were convicted largely for being connected with radical organizations and the fact that they were foreigners; that the jury was prejudiced and the trial unfair.

While on the other hand it is claimed that the defendants were shown every consideration; the jury picked in the usual manner from a panel of 675 men; that the subject of radicalism was introduced by the counsels for the defense, and that the evidence was sufficient to convince. It is pointed out that if the decision had not been fairly rendered the Supreme Court of Massachusetts would not have continuously refused to grant a new trial. They also claim that the delay, and the international protest have been caused by the influence of the organization of which those men are members.

It is indeed a serious state of affairs if an international organization composed largely in America of aliens, can interfere with the internal affairs of this country or deter the mandates of its courts. In fact, if any organization has gained such power, or exerts its power to such an end as to enable one of its members to escape the penalty of a crime then that organization has become a dangerous element.

The United States, having a large alien population offers a field for the promulgation of ideas, the formation of societies, that are adverse to American principles. It behooves the citizens of this nation to be on their guard against the encroachments of an alien population the restrictive immigration laws should be strictly enforced and further laws of this nature enacted.—Ex.

JUDGE KEMP WRITES ABOUT WESTERN TOUR

(Continued from page 1)

splendid Sul Ross Normal College. We missed seeing Miss Ganel Cox, a graduate of Yoe High who is in Alpine attending the summer session of the Normal.

The drive from Alpine to Fort Davis through the Davis Mountains is one of the prettiest in the United States and I can think of no vacation more pleasant than one spent in Fort Davis at an elevation of more than five thousand feet. The climate is delightful and the remains of the old Fort abandoned in 1888 interests tourists who like historical associations. In Fort Davis we met Lawrence Posey now a successful insurance agent in that district.

We spent the night in Valentine and next day traveled over splendid roads to El Paso. We passed irrigated farms, saw the little Spanish border towns and visited Ysleta, the oldest town in Texas, and the old Catholic church there.

We spent a day and a night in Camp Grande, said to be the finest tourist camp in the world. We met Mrs. Mary Rogers Harkrider and her son, Rupert Harkrider Jr., of Abilene who were en route to California. There we met editor J. B. White and family of Cameron. In company with Mr. White we went over into Mexico and toured the famed city of Juarez. Mr. White's knowledge of Mexican character and customs was of much value to us. We took much interest in the very old cathedral there into which Villa shot in 1911 much to the consternation of the Catholics of that city. Mr. White went through the city jail but this writer did not care to explore prisons as he has enough of that at home.

On Saturday afternoon we left El Paso and went to Las Cruces. We spent the night at Hot Springs in New Mexico. This medicinal resort where a vapor bath may be had for ten cents is eight miles from Elephant Butte Dam which we inspected the next morning. We passed through Secorro and wanted to attend church but found no service held there that morning. Socorro is the former home of Secretary Fall where he was former sheriff and now owns a great deal of property. During the day we passed through the Datyl Natural Forest and enjoyed the "Top of the world drive". At Springerville, Arizona we spent Sunday night and attended the Presbyterian church, the only Protestant church in that city.

The next day we passed through "the land of fifty extinct volcanoes" and saw lava beds to some extent. A Meteorite cave attracts much interest. We saw the wonderful petrified forest and heard the government rangers lecture upon the wonders of the place. Passing through very interesting towns and beautiful forests we reached the Grand Canyon Natural Park and camped in the public camp ground Monday night. We found it cold there. We viewed the wonders of the Canyon and took the Rim Drive to Hermits Rest. The highest point visited was marked by a monument erected by the Grand Lodge of A. F. & A. M. of Arizona to commemorate the conferring of the Master's Degree at that point. We learned something of the Canyon's history and saw the massive monument erected in honor of Powell, its discoverer. We visited the Inns, the Library , the museums and the Curio shops and enjoyed Fred Harvey's club house.

Retracing our route to Winslow, Arizona, we spent Tuesday night in the ideal touring camp there. We visited the painted desert en route to Gallup, New Mexico. Through the Navajo Indian reservation we saw much of the Navajos in their native haunts. We bought a real Navajo blanket for Mrs. Martha Rogers at Shiprock, New Mexico, at the government trading post where the Indians had collected. We went through the Ute Indian reservation and found that they are very proud of their new government school buildings. We spent the night at the Navajo Tourist Camp in Cortez, Colorado and much kindness was shown us there. Next day we made the high drive up to the Mesa Verde National Park where we viewed the interesting museum and the wonderful homes of the ancient cliff dwellers. There we found Mr. Miller of Dieboll, a Texas high school teacher, in charge of the museum. We found gasoline sold at that isolated station at thirty-two cents per gallon, as high as we paid for any gas on our trip. Passing through Durango, Colorado and over the Ouray Pass we spent the next night at Silverton, a little mining town that was cut off from the world during the snow storms of last winter and food had to be carried in to the town by airplane. It was very cold there.

Next day our route led through the high Sierras and we saw forests, mines and ranches galore. Over the Continental Divide we came into the beautiful little city of Montrose and there we bought some luscious cherries and other fruit. At Gunnison we found the Colorado cattlemen closing a three days convention and rodeo. We spent that night in a tourist camp at Salida on the Arkansas River. Passing on over a scenic route we came to Canyon City and visited the Royal Gorge, Colorado Springs, Pike's Peak and Manitow were enjoyed. We met Messrs and Mesdames Will, Alex and Claud Triggs in Colorado Springs. We spent the week end with my brother, Deminie M. Kemp and his wife in Pueblo, Colorado. While there we met Rev. Glenn Flinn and his wife enroute to Colorado Springs. We left Pueblo on Monday and made our way to Taos visiting many places of interest by the way. We visited the ancient Pueblo Indians and interested cient Pueblo Indians and witnessed some of their ceremonial dances. We were entertained by Albert Looking Elk, the artist of the tribe and met the governor due to the kindness of our friend, Homer D. Wade, former editor of the Rockdale Reporter who with his wife and friends were visiting in Taos. We placed a flower on the grave of Kit Carson and saw the home of this famous old scout.

In Santa Fe we spent much time in the Historical and Art Museums. We saw the oldest church and the oldest house in the United States.

We re-entered Texas near Adrian and there visited former County Clerk of Milam County, J. P. Collier and his good wife who own a lovely ranch home. Mr. Collier is preparing to plant 4,000 acres in wheat this year. The heat in the panhandle was intense and rain is badly needed in that section. We passed through the thriving towns of Clarendon, Memphis, Childress, Amarillo, Wichita Falls and spent the last night away from home in the Municipal Tourist Park in Ft. Worth.

We hope that this may encourage some to make auto trips to the National Parks as this can be done safely and economically during the long summer days.

Jeff T. Kemp.

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsilitus, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv.)

Sound Values

As automobile dealers, our trading policy is one of the most conservative in the industry. Thus, the used cars we offer represent exceptionally sound values based on the actual condition and worth of the cars themselves. We highly endorse the following used cars now on view at our Used Car Department.

1 Ford Foredor Sedan, Balloons and extras.
1924 and 1925 Ford Touring, good tires, new paint.
1924 Ford Coupe, new paint, balloon tires.
1925 Essex Speedster, new tires, all extras.
2 1925 Ford Roadsters.
Some other good cars.

Local and Personal

Mrs. John Radtke and Miss Edna Radtke returned Monday from Colorado City where they have been visiting for the past week.

Mendell and John Morgan of Laredo are visiting their aunt, Mrs. J. S. Bradford.

Mr. and Mrs. J. S. Bradford and Mrs. Feltia Morgan have returned from a delightful visit with relatives and friends in Del Rio

Mrs. B. P. Matocha and children and Mrs. Frank Polansky visited relatives in Caldwell Wednesday.

Mr. and Mrs. Preston Laird are enjoying an outing at New Braunfels this week.

Mr. and Mrs. E. S. Hutcherson and baby, Rose Margaret, left Monday morning for Milford, where Mr. Hutcherson will conduct a two week's revival meeting.

Mrs. Susie Sloan has concluded an enjoyable vacation visit with friends in Fort Worth.

Dr. and Mrs. D. G. Kilgore of Dallas visited in the home of Judge and Mrs. John Watson this week.

Mr. and Mrs. J. A. Sustek and family and Miss Gertrude Batla left Monday for Robert Lee where they will visit relatives.

Mr. and Mrs. Preston Laird left Cameron this week for New Braunfels where they will stay a few days and then go on to Medina Lake where they will spend a delightful vacation trip. They expect to be gone for about two weeks. Mr. Laird will fish in the lake. He has never visited the lake and looked forward with great pleasure to a sojourn on this great body of water in the hills west of San Antonio. Mr. Laird since retiring from business here has engaged in writing insurance.

Willard Keith and Joe Evans spent Sunday in Austin.

Mr. and Mrs B. Slocomb and family left Wednesday morning for a two week's outing at Kerrville and Junction City.

Kenneth Keith of Houston came home to visit his parents, Mr. and Mrs. H. C. Keith. Wednesday.

H. C. Keith and Joe Lindsey attended the Frigidaire Convention in Houston Monday and Tuesday.

Fred Childress returned to Houston Wednesday to resume his work with the Frigidaire Corporation.

Mrs. Miller and little daughter, Irene of Fort Worth are visiting in the home of Mrs. S. Kestenbaum this week.

Miss Jessie Lowenstein has returned from a delightful trip to Colorado, where she visited relatives. Enroute home she stopped over in Saint Jo, Missouri, to visit the grave of her father.

J. M. Ralston, Row Law, A. J. Lewis and Giles L. Avriett were in Austin Friday on official business.

Dr. and Mrs. Donald G. Kilgore of Dallas spent Sunday and Monday with Judge and Mrs. John Watson, parents of Mrs. Kilgore.

Judge John Watson was in Austin Saturday attending a meeting of the Council of Judges composing the 3rd Judicial Administrative District of Texas, pursuant to call by Judge Geo. Calhoun, presiding judge of said 3rd district. All the District Judges, except two of the 33 counties composing the District were present. The Austin Bar gave the Judges a luncheon at the Driskill Hotel.

The Council agreed to faithfully endeavor to carry out the purpose of the act to relieve the crowded dockets in some counties of the District.

Jennings Huddleston of Goose Creek visited his sisters, Mrs. A. Bryan and Miss Myrta Mae Huddleston Sunday.

Sam and Frank Cheeves, Linn Zarr and Elmo Baggett went to Waco Sunday.

Mrs. J. C. Young has as her guests her sister, Miss Len Kahee and cousin, Miss Len Austin of Rockwall, Texas.

Albert Horstmann of Buckholts has accepted a position with Grady Houston Confectionery. Mr. Houston has begun preparations for a big fall business.

Miss Pauline Green was home from Austin Sunday where she has been attending University summer school.

Mr. and Mrs. Leslie Green of Temple visited relatives in Cameron Sunday.

Miss Mary Lake Henderson, who has been attending University summer school came home last week.

Miss Ella Joslin of Washington, D. C. was called home last week on account of the illness of her grandmother, Mrs. Hitt.

Mr. and Mrs. Clifton Jenness and Miss Louise Denson were shopping in Waco last week.

Rev. and Mrs. J. P. Love and family and Mr. and Mrs. C. H. Pollard and family left Monday for a two week's outing on Cherokee Creek. Mr. Love will return to Cameron for next Sunday's service.

R. M. Johnson of Houston visited his parents, Mr. and Mrs. M. M. Johnson last week end.

County Superintendent Kathryn K. Robbins is attending the Farmers' Short Course at College Station this week.

Mr. and Mrs. Ray Burke and Ray Jr., have returned from a delightful trip to Oklahoma.

Mike Wiley attended the dance at the Country Club in Temple Friday night.

Leo Mohler will leave Friday for Port Arthur.

Mrs. Kirby Boles has concluded a two week's vacation visit with relatives in San Antonio, Kenedy and other South Texas points.

Miss Winnie Henderson is visiting her sister, Miss Katharine Henderson in Austin.

Mr. and Mrs. Leo Wilkerson and family have returned from a visit with relatives in Austin.

Mr. and Mrs. A. F. Mitchell arrived Sunday from California, where they were recently called to the bedside of Mr. Mitchell's sister. He reports that her condition was improving when they left.

Mr. and Mrs. W. O. Triggs and Mr. and Mrs. Alex Triggs and son, Billie Triggs, arrived Friday from an extended trip to Colorado and other interesting points in the West.

Mr. and Mrs. Roy Law and family spent the week end with friends in Austin.

Miss Cil Stedman left Saturday for Ballinger, where she will visit her friend, Mrs. Harry Mills.

Mr. and Mrs. Oxsheer Smith and Hubert Hefley left Sunday for the Ozarks, where they will enjoy a two week's outing.

Mr. and Mrs. Perry Wilkerson and Miss Minnie Stedman went to Waco Tuesday.

Mrs. J. C. Wallace of Minerva and her niece, Miss Robbie Isaacs of Georgetown were visitors in Cameron Tuesday.

W. B. Levy made a business trip to Waco Tuesday.

Mr. and Mrs. W. B. Levy went to Temple Sunday afternoon to see Mr. and Mrs. Noe, formerly of Rogers. Mrs. Noe is undergoing treatment in the Temple Sanitarium.

Miss Louise Batla has concluded a delightful vacation and is greeting her friends at Levy's Dry Goods Store again.

Mrs. Clyde Shipp and little daughter, Gwayne, are visiting relatives and friends in Waco this week.

Mrs. Rosa McMillan is enjoying a vacation this week and is visiting her mother, Mrs. M. M. Kemp in Waco.

Mr. and Mrs. W. H. Stafford have returned from a visit to Ardmore, Okla. They were accompanied home by Mr. and Mrs. McCrory.

Mrs. V. E. Lutts of San Antonio is visiting her parents, Mr. and Mrs. W. T. Whatley.

Mr and Mrs. Lane Thomas have as their guests their son and daughter, Mr. and Mrs. McCrory of Ardmore, Oklahoma.

Three Cameron Men In $100,000 Class of Policy Holders

Dallas, Texas, July 27—The names of Robert Lee Batte, Robert McLane and Oxsheer Smith of Cameron appear in this year's edition of the "Texas Index" which carries the names of Texans whose lives are insured for $100,000.00 or more. Only the names of those who give authority for their publication are listed. Mr. Batte now having $135,000, Mr. McLane, $250,000.00 and Mr. Smith $105,000.00 all in force.

For the first time since the "Index" was issued Houston leads the list with 75 names, Dallas being second with 56, San Antonio third with 21 and Wichita Falls fourth with 15. The list contains 249 names and the total of life insurance carried by these men is $55,677,300.00. The list contained only 168 names last year.

"Sincere thanks are tendered those forward-looking men who from year to year permit the use of their names in this booklet," says W. A. Callaway, Editor of Southland Life publications in a foreward. "To them comes the added satisfaction of knowing that by their example they have been instrumental in inducing others to give their families protection."

Ditto-Springer

Last Saturday afternoon at three o'clock Mrs. Mattie Springer and Mr. George Ditto of Cameron were united in marriage, Judge Ed F. English, Justice of Peace, permorming the ceremony. The wedding vows were spoken in the lobby of the Springer Hotel with only a few witnesses.

Both parties have resided in Milam County practically all of their life, and in Cameron for a number of years. They are well known and have many friends who wish for them much happiness and success in their wedded life.

The bride wore a becoming dress of dark blue crepe with harmonizing accessories. She has been in charge of the Springer Hotel for the past twelve years and has made many friends.

The groom owns a farm at Hanover and has always made a succes of his farming. For the past several years he has made his home in Cameron.

Those witnessing the marriage were: Miss Jones, Mrs. Dan Cass, sister of the bride, Mrs. Julia Colley, mother of the bride and Leo Wilkerson.

Catholics Plan For Mexican Church Here

Announcement was made Wednesday by J. F. Brown, contractor, that the Catholic church in Cameron is planning the construction of a new church building for the Mexican population here, the contract, while not yet signed has been awarded to Mr. Brown subject to approval of the officials of the church.

The building is estimated to cost approximately $6,000 and plans had been made to begin construction about the first of August. The church is to be located in West Cameron and will be an attractive building and afford means of worship for a large number of Mexicans here.

K. P's. Plan Party

The Knights of Pythias plans a party some time soon to entertain the women and according to plans discussed at the meeting Monday night will hold the entertainment at the new bridge across Little River.

The entertainment will be for the Knights and their families and will be the first of a series of annual such entertainments, it is said.

B. T. Harris in charge of the arrangements hopes to be able to report on the completion of the plans by the next meeting, giving the date for the party.

Some thought has been given here to the proposed organization of a lodge of Pythian Sisters but no definite steps have been taken.

"TIZ" GLADDENS SORE, TIRED FEET

"Tiz" makes sore, burning, tired feet fairly dance with delight. Away go the aches and pains, the corns, callouses, blisters and bunions.

"Tiz" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "Tiz" brings restful foot comfort. "Tiz" is wonderful for tired, aching, swollen, smarting feet. Your feet just tingle for joy; shoes never hurt or seem tight.

Get a box of "Tiz" now from any drug or department store. End foot torture forever—wear smaller shoes, keep your feet fresh, sweet and happy.

GIRL MUST GO TO CHURCH, SAYS JURY, BUT JUDGE WON'T ACCEPT

Wichita Falls, July 26—Because suspension of a two-year penitentiary sentence imposed on a 17-year old girl, who had pleaded guilty to a charge of forgery, was made conditional upon her attending church regularly. Judge E. G. Thornton of the Thirtieth District Court here declined Tuesday to receive the verdict and sent the jury back for further deliberation.

A second verdict, returned 10 minutes later, made an unconditional suspension of sentence. The girl said she had cashed a $10 check to get spending money.

Acceptance of the first verdict, Judge Thornton said, would have violated that part of the National Constitution guaranteeing freedom of worship.

Plane Decapitates Man Upon Horse

El Paso, July 26.—Robert E. Griffin, private, first class, Troop E. Seventh Cavalry was killed Tuesday when a low flying plane struck him as he rode his horse in the maneuvers near Fort Bliss.

His head was cut from his body when a part of the plane's landing gear struck him above his shoulders. Private Griffin was galloping his horse over the mesa, when he was struck.

The plane was piloted by Cadet E. P. Rose. Cadet Rose said he was flying low when he ran into bumpy air and the plane fell lower still. He did not know he had struck the man and flew as the headless torso fell from the horse. He did not learn of the accident until he had landed after the maneuvers. The accident occurred shortly before 10 o'clock this morning.

Ralph Keith has gone to Galveston to visit his sister, Mrs. P. B. Wilson.

Triggs Families Return

From their annual trip to cool Colorado the Triggs families returned last week after more than three weeks spent in the high altitudes of the west.

Those who made the trip this year are: Mr. and Mrs. W. O. Triggs, Mr. and Mrs. Alex Triggs and their son, and Mr. and Mrs. Claude Triggs.

Will, Alex and Claude are now back at their posts of duty with the Triggs Cotton firm and ready for the season of marketing. They spend their vacations each year in Colorado.

Off To Golf Meet At Taylor Wednesday

Those attending the Central Texas Golf Tournament in Taylor Wednesday were: S. A. Cottle, Walter Sharpe, Reed Rogers, W. O. Newton and Alex Triggs.

Much enthusiasm was manifested in the recent tournament held at the Cameron Country Club and Reed Rogers won low gross score, making 37 and 35 gross net 68. Golfers from various towns in the Association were present and the affair was pronounced a success from every standpoint.

Some of the best golfers of the state entered the tournament in Taylor Wednesday and the representatives from Cameron declared the day a very enjoyable one.

Lion Directors Are Named Here Tuesday

At the regular meeting of the Lions Club Tuesday at noon, with the newly elected president, J. C. Martin presiding, the following directors were appointed: R. H. McIntosh, J. M. Ralston, James Watson, W. O. Newton, F. B. Cable and O. M. Smith.

The hour of meeting was changed from 12:15 to 12:05.

Lions Cobb, Henderson and Love were appointed as a program committee for next week.

Tuesday evening the directors met at the home of the president, J. C. Martin for the purpose of discussing plans and a program for the next six months. Committees were also appointed, but have not been announced yet.

Ouch! Rub Backache, Stiffness, Lumbago

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Limber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

Chas. H. Fletcher

THE CENTAUR COMPANY, NEW YORK CITY.

NEW 1928 BUICK NOW ON DISPLAY

SCHILLER BUICK COMPANY NOW SHOWING NEW LINE IN CAMERON

Residents of Cameron and vicinity are cordially invited to visit the showroom of the Schiller Buick Company, local Buick dealers, and hear the famous Arthur Pryor and his Band, Roxy and his gang, and the rest of the Buick Motor Company's special announcement program, which is being broadcast from coast to coast, also to see the new 1928 Buick models, now on display. The three broadcasting networks of the National Broadcasting Company have been engaged, for an hour each, to span the continent with special music heralding Buick for 1928.

Never before has an automobile manufacturer utilized broadcasting facilities in connection with his announcement, and never before, except in the case of presidential addresses and the homecoming of Lindberg, has any feature, commercial or otherwise, monopolized the great nationwide broadcasting network. Buick's leadership in the automobile world, is a leadership which charges any Buick announcement with unique interest.

In listening to all or any of the three great special musical hours sponsored by Buick, the public will in a sense participate in the making not only of automobile history but radio history too, for tonight's evening of broadcasting, like the Buick for 1928 which it heralds, is entirely without precedent.

Mr. and Mrs. Mitchell Return From the West

Mr. and Mrs. A. F. Mitchell returned home Sunday from California where they went to visit Mrs. W. C. Beers, sister of Mr. Mitchell, who has been critically ill. They were called to Los Angeles by wire announcing the grave condition of Mrs. Beers.

Mr. and Mrs. Mitchell return home much encouraged by Mrs. Beers condition, she having improved sufficient for them to return. They stayed in California several days and after the crises had passed in the condition of Mrs. Beers took a few days pleasure trip over Southern California.

Maysfield News

Mrs. Mary Freeman came home last week. She has been visiting relatives and frinds in Alabama.

Miss Lucille Edens has returned to her home in Georgetown.

Mr. Albert Ullrich was the guest of Miss Elsie Tyson last Monday and Tuesday.

Rev. Dwight Sharpe who is the pastor of the Presbyterian church of Laredo visited friends in Maysfield last week.

Last Tuesday night the Christian Endeavor gave a party on the lawn at the school house. Outdoor games were played after which ice cream and cake were served.

Mr. and Mrs. Roy Land of San Antonio and Mr. Othl Curry of Santa Anna were the guests in the Kelso home last week end.

Mr. and Mrs. Roy Yates of Branchville attended church services here Sunday.

Last Thursday Miss Irene Bell entertained the Triple F Club. Each member enjoyed games of 42 during the afternoon. At 6:30 dinner was served in picnic style. Later in the evening the club members had as their guests Messrs. Herman Harlan of Branchville, Archie and Carr Peel of Port Sullivan, Red Massengale of Jones Prairie, Albert Triggs of Cameron, Weldon Teague, J. B. Mayes, Ralph and Le Roy Massengale, Valter White, Dock Thweatt and Carlton Ireland of Maysfield. 42 was the diversion of the evening after which punch and cake were served. At a late hour the boys went home and the club members stayed for a delightful slumber party.

Miss Elizabeth Peel has returned to her home in Port Sullivan.

Miss Edna Lee Belle, who attended summer school in Cameron, is at home.

Mr. John Newton of Houston spent the week end with his mother. Mrs. E. J. Newton and his sister, Mrs. R. B. Mayes.

Misses Helen and Lois Mayes spent the week end with Mr and Mrs. Thad Epperson of Cameron.

Miss Nora Lockey of Fort Worth and Mrs. A. E. Brady of Cameron spent Sunday and Monday with Mrs. J. C. Tyson and Mrs. Carrie Bell.

Mr. and Mrs. Forrest Smith and family spent Friday night with Mrs. E. J. Newton. Saturday morning they went to Austin. They will be back here Wednesday to spend the rest of the week.

Mr. J. H. Sapp was in Maysfield Sunday morning.

Mr. and Mrs. H. L. Zayer and Mr. and Mrs. Herbert Massengale chaperoned the young people on a picnic to Sugar Loaf Mountain Friday night.

Mrs. Winnie Cather has returned from Houston and is visiting her sister, Mrs. Gus J. Craven.

Mrs. H. G. Newton left Monday for College Station to attend the Farmers' Short Course.

Miss Vera Mayes is suffering from injuries received from mountain climbing last Friday night at Sugar Loaf Mountain.

Mr. and Mrs. Joe Foster and family of Branchville visited in Maysfield Sunday afternoon.

Improves Show Room

Horstmann Brothers, Tire Store this week are completing decorations in their show rooms, making the place more attractive with white paint.

The Tire Store will have a more attractive place to display the new Hudson and Essex six cars and to conduct their big tire business.

Missionary Meeting

The Missionary Society of the Christian church met with Mrs. Guy Slocomb Monday afternoon. Mrs. Raymond Beard who was leader of the lesson opened with a prayer, followed by scripture reading by Mrs. Jim Adams. Mrs. Wallace Jones gave an interesting talk on "Divine Partnership." Mrs. Martin Kilian gave an outline of Missionary programs for 1927 and 1928.

Mrs. Hawkins of Austin, who is visiting Mrs. Denson, was the guest of the society at this meeting. She also made an inspiring talk which was doubly appreciated because of the first hand information she gave us of her daughter and son in law, Mr. and Mrs. Rex Hopper, who are missionaries of the Christian church teaching in the Colegio Internacial at Ascunsion, Paraguay, South America. Mrs. Jones and Mrs. Hopper were college mates at T. C. U., Fort Worth. A novel contest concluded the afternoon's entertainment. Delightful refreshments of cream, cake and punch was served.

The Ladies Aid Society will meet at the church next Monday at 3:30 o'clock.

Missionary Society

The Methodist Missionary Society met at the church Monday afternoon for Bible Study with eighteen members present. The devotional was led by Miss Maggie Lou Aycock of Corpus Christi. A very interesting lesson was studied from "Life and Letters of Paul," conducted by Mrs. R. H. McIntosh.

The Society will meet at the church for business next Monday afternoon.

Chevrolet Output Is Beating Record For 1926 In 7 Months

Chevrolet production for July raised the total volume for the first seven months of this year to nearly on a par with its entire output for 1926, in which year Chevrolet established an all-time production record for the manufacture of gear shift cars, according to figures released today by the Chevrolet Motor Company.

Production for the month just ended totaled 89,569 units as against 50,993 units for July, 1926, an increase of 75.65 percent. This percentage of gain over the corresponding month of last year was greater in July than in any other month so far into 1927. The next highest month was February, when this year's figures revealed an increase of 67 percent over February, 1926.

July volume brings production for the first seven months of this year to 697,318 units; whereas in the entire year of 1926 the total volume was only 728,697 units, indicating that at the present rate of output the figures for last year will be passed before August gets fairly under way.

Chevrolet officials were confident, in view of this extraordinary showing, that by the close of the year the total volume for 1927 would approach very closely to the million mark. The great Chevrolet factories are running day and night to accomplish this tremendous volume and to meet the steady growing public favor which "The Most Beautiful Chevrolet" is everywhere commanding.

Hand in hand with this gigantic production schedule are new projects. Ground was recently broken for two new buildings to stabilize the facilities of the factory at Flint, Mich. A new office building and a new parts building are being erected at a cost of $2,000,000. Work is being rushed so that both buildings may be ready for occupancy by October, 1927.

On all railway journeys the King of England pays full fare for himself, the queen and every member of the royal household in attendance.

The minimum age of fourteen years for employment in industry adopted by the Washington conference of 1919 has been ratified by fifteen nations.

Strong the Family Praise!

Houston, Texas.—"I wish to say Dr. Pierce's Favorite Prescription has been a blessing to our family, especially in one daughter's case. She was in a serious condition with woman's weakness and just about past going when we decided to try one more remedy we had heard of — the 'Favorite Prescription.' Well, a few bottles of this helped her so she has never had any more trouble of the kind. So it is no wonder that we have depended wholly upon this one remedy ever since for all such ailments."—Mrs. Emma Allen, 313 Hogan St.

Miss Allen

A retired railroad locomotive, with its wheels removed, heats a Norwich, Connecticut, passenger station. It performs efficiently, supplying heat to the train shed, station and cars in the yard as required.

The 'Christ of the Andes' is a bronze statue standing on a 12,000-foot elevation above the sea. It was cut from the cannon of Argentine and Chile and the inscription on the monument reads: 'Sooner shall these mountains crumble into dust than the people of Argentine and Chile break the peace which they have sworn at the feet of Christ the Redeemer.'

THE PASTOR AWAY IN REVIVAL MEETING

Last Monday morning the pastor, accompanied by Mrs. Hutcherson and the baby, left for Milford, Texas where he is to be engaged in a revival meeting for two weeks.

It will be remembered that the pastor held a revival at Milford three years ago. It was a great meeting and he is anxious that the people here shall remember to pray earnestly that the Lord's will may be done in this meeting, that it, too, shall be a great meeting.

Mr. Black has been away in a revival meeting in Oklahoma. He is expected to return next Friday or Saturday and be here for the Sunday services.

In the absence of the pastor a committee has been appointed to supply the pulpit, or to arrange for church services as it may see fit. This committee is composed of Brother Evans, Chairman of the Board of Deacons, Brother Henderson and Brother Beckerman.

Mr. Ray Burke, our Sunday School Superintendent, has been away on his vacation and has returned, for which we are all happy. Mr. Burke is a splendid superintendent and we greatly missed him while he was out of town. We are glad that he is back. We are also glad that others of our people are getting back from their vacations and hope that within a very short time our people will all be back and we will be off for some great work in the church.

REVIVAL MEETINGS

Just at this time a goodly number of our rural churches are in their revival meetings. Walker's Creek church under the pastorial leadership Bro. Jamison is in its meeting. Bro. Jamison is being assisted by Bro. Turner of Waco. Mrs. Turner is also with them in their meeting. Bro. Streetman, pastor at North Elm, is in his meeting now, assisted by Bro. McKinney Henderson. Bro. Lemons, of Little River is in his revival meeting.

He has a singer assisting him in his meeting and he is doing the preaching himself. We trust that they will have great meetings, the churches will be greatly revived and the lost be saved.

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

Babies Love It

For all stomach and intestinal troubles and disturbances due to teething, there is nothing better than a safe Infants' and Children's Laxative.

MRS. WINSLOW'S SYRUP

SULPHUR SOOTHES UGLY, ITCHING SKIN

The First Application Makes Skin Cool and Comfortable

If you are suffering from eczema or some other torturing, embarassing skin trouble you may quickly be rid of it by using Mentho-Sulphur, declares a noted skin specialist.

This sulphur preparation, because of its germ destroying properties, seldom fails to quickly subdue itching, even of fiery eczema. The first application makes the skin cool and comfortable. Rash and blotches are healed right up. Rowles Mentho-Sulphur is perfectly harmless. You can obtain a small jar from any good druggist.

Renew Your Health by Purification

Any physician will tell you that "Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic ailments that are undermining your vitality? Purify your entire system by taking a thorough course of Calotabs,—once or twice a week for several weeks—and see how Nature rewards you with health.

Calotabs are the greatest of all system purifiers. Get a family package, containing full directions. Only 35 cts. At any drug store. (Adv.)

Thedford's BLACK-DRAUGHT

For Constipation and Indigestion

(Purely Vegetable)

UNSTRUNG

Nervous, Run-Down Young Lady Regains Health And Strength.

"I was so run-down and 'no account' that I did not feel like working, or doing anything at all," says Miss Flossie Evans, Route No. 1, Liberal, Mo. "My nerves were all unstrung. I was very easily upset.

"After I had taken Cardui for only a short while, I began to feel stronger and my appetite improved and the headaches disappeared.

"I was delighted with the improvement which was so noticeable everybody spoke of it, I looked and felt like a different girl. Now I am perfectly well and glad to recommend Cardui."

Act on this recommendation. Take Cardui. At all drug stores.

CARDUI

In Use 45 Years C-40

CONSTIPATION

And Attendant Ills Relieved By Taking Black-Draught.

The Rev. Granville Edwards, who lives at Schoolfield, near Danville, Va., was troubled for a long time with constipation and its attendant ills, which kept him from feeling fit. He writes:

"Luckily I then, which was about twenty years ago, heard about Black-Draught and began to take it. After taking Black-Draught for a little while I noticed that my trouble began to disappear. The poisons, which had accumulated in the body, as a result of constipation, were eliminated, and I felt a hundred per cent. better. The dizzy feeling, which I had felt almost every morning before breakfast, was gone.

"Black-Draught is a household article with us. We always keep it on hand."

Try Thedford's Black-Draught for constipation. Sold everywhere. 25c.

Thedford's BLACK-DRAUGHT

Purely Vegetable C-42a

THE FOUR AMENDMENTS OPPOSED

By J. K. FREEMAN

The amendment to change the pay of certain County Officers from fees, commissions, etc., to salaries provides:

That the Legislature may provide compensation for District Attorney, County Judge, County Attorney, Sheriff, County Clerk, District Clerk, County Tax Assessor and County Collector by fixing salaries in lieu of fees, commissions, etc.

This amendment should be defeated. Its adoption will strip the people of all right and all voice in fixing the amount of fees that they will be taxed to pay. If the fee system is to be changed to the salary system, then the amount of salary for each of the County and District Officers should be stated in the amendment, and not left to the Legislature to fix and raise such salaries at will.

The last Legislature, unmindful of the two hard years of 1925 and 1926, raised the salaries of all Public Officers that they had authority to raise, and are now asking, by this amendment, that they be given the right to fix the salaries of all County and District Officers. If they raised the salaries in the face of existing conditions, what may be expected of them in good times?

The present Legislature seems to be strangers to the condition of the laboring people and farming people, or they are unmindful of such condition. The Legislature does not seem to know that under the present conditions, following the two hard years of 1925 and 1926, the laboring people and the farming people cannot stand additional raise in taxes. The Legislature does not seem to know that an additional raise in salaries will bring about an additional raise in taxes. The Legislature does not seem to know that it is unstatesmanlike and dangerous for the people to surrender all their rights to the Legislature.

Let every community see to it, that their people go to the polls on August 1st, and vote against this amendment, and against the other three amendments.

The Tax Amendment will be noticed later.

The Legislature at its last session submitted four amendments to the Constitution of this State, to be voted on August 1, 1927.

The Judiciary Amendment provides among other things:

That the members of the Supreme Court shall be increased from three to nine, and receive such pay as may be provided by law, (by the Legislature.)

That the members of the Court of Criminal Appeals may be increased from three to five, and shall receive such pay as the Legislature may fix for the members of the Supreme Court;

That the State shall be divided into Judicial Districts, not exceeding twelve, wth a Court of Civil Appeals in each, consisting of a Chief Justice and two Associate Justices, and as many more as the Legislature may provide for; and that the members of said Court shall receive such pay as may be fixed by law (by the Legislature.)

That the State of Texas shall be divided into as many Judicial Districts as may be provided by law, (by the Legislature) and that each District shall have a District Judge, who shall receive such pay as shall be fixed by law, (by the Legislature) and that the Supreme Court or the Chief Justice may assign any District Judge to any District in the State other than the one in which he was elected.

Under this provision of the amendment, the people retain the right to elect their District Judge, but they surrender the right to have him serve them as Judge. The people should not surrender the right to have their causes tried before the Judge of their choice; it is too much to give the Supreme Court power to remove our Judges and fill their places with strangers. This amendment is far reaching. It is dangerous, and it will in time reduce the Supreme Court to a dangerous political body.

The salaries of the above named Judges should be stated in the Constitution; the people pay the bill, and they should have some voice in fixing the salaries. To give the Legislature power to fix these salaries and raise them at will is unbusiness like and dangerous.

A careful examination will convince any unbiased mind that the main purpose of the four amendments is to take from the people all right and voice in the government of the State and create a strong centralized government at Austin.

Every community throughout the State should see to it, that the people go to the poles on the 1st day of August and vote against each and all the amendments. They will suffer the consequences if they do not. 'Eternal vigilence is the price of liberty.'

BATTE'S Round Bale Gin Is Ready to Run

And with new stands and a thorough overhauling of machinery, is better prepared than ever to give its customers the best possible out-turn and a clean sample.

The Gin will be in charge of Mr. Eugene Wade, well known to the public as a fine ginner and our customers are assured of a fair deal and courteous treatment. Mr. Frank Brock will have charge of the office and books as last year and Mr. Wallace Moody will be the cotton buyer and outside man.

These men will all endeavor to give the best they have and with modern machinery can guarantee to the public first class service in every particular.

Highest Prices for your Cotton and Cotton Seed

R. L. BATTE Owner

The daily bill of fare for Peter, a hippopotamus in the New York Zoo, consists of 150 pounds of hay, 15 loaves of bread, 5 heads of cabbage, and 60 pounds of cornstalks.

Edmund Kean, the noted English actor, valued the opinion of the common people in the pit more highly than that of aristocrats and dramatic critics.

Safety First and Last

A life insurance policy is a contract. Usually it matures by death. When you make a contract of that nature you should have full confidence in the party of the second part.

Quality, not price, is the first, last and only consideration.

Eight Years in Cameron

Lucas-Jones

Last week the Calvert Tribune carried an account of the marriage of Vince Lucas to Mrs. T. B. Jones of Calvert. Mr. Lucas formerly resided in Cameron and served as City Marshal for two years. His friends will read with interest of his marriage:

Accompanied by Misses Margurite Devine and Jewell Proctor, Mr. V. R. Lucas and Mrs. T. B. Jones drove to Bryan where they were quietly married Sunday, July 10th, the pastor of the Presbyterian church officiating.

The wedding was kept a secret until Friday afternoon of last week when the news 'leaked out' and friends of Mr. and Mrs. Lucas are now extending congratulations.

7 Men Indicted On Flogging Charges

Oneonta, Ala., July 19.—Seven men were indicted late today for participation in the flogging June 26 of Jeff Calloway, farm youth.

All but one has been arrested within a few minutes after the grand jury voted the indictment. The other is expected to be in custody within a few hours.

Those indicted were Eugene Dofs of Tarrant City; L. E. Clayton, Chester, Clayton, Clifton Clayton, Peter Carlyle, Dr. L. S. Finnell of Oneonta and one man whose identity is unknown pending his arrest.

All except Finnell are indicted for assault and battery and kidnapping, while Finnell was named for kidnapping only.

Bond of $5,000 was set for each charge of kidnapping and $500 for the assault and battery charges.

Galloway was taken from a country church here by a band of masked men, bound to a tree and lashed into unconsciousness, on a charge made by members of the band that he had attended a church service while intoxicated.

Bridge Party

Miss Mary Bess Whatley entertained with a delightful bridge party last Thursday afternoon at the home of her parents, Mr. and Mrs. W. T. Whatley, in honor of her sister, Mrs. Lutts of San Antonio, to which friends from Rogers and Cameron were invited. Beautiful summer flowers were used to add to the charm of the reception suite where three tables were provided for the guests.

High score was won by Miss Thelma Reed of Rogers. The honoree was given a beautiful handpainted card table cover.

The hostess served a salad and ice course, consisting of chicken salad, potato chips, olives, bread and butter sandwiches, tea freeze, frozen fruit and angel squares. Unique Chinese fans were given as favors.

Out of town guests were: Misses Thelma Reed, Louise Barnard, Mary Taylor, Dora Thomas, Teedie Moore, her house guest and Mrs. Barnard of Rogers.

Gutta-percha was unwittingly discovered by Dr. Thomas W. Evans, a Lancaster, Pennsylvania, dentist, while looking for a substitute for gold foil for tooth fillings.

The records of an Ohio court show that a man convicted of theft was cured by the sentence that he be 'divested of his apparel tied to a tree and subjected to the bites of mosquitos for one hour.

An Italian woman, named Toffana, who lived in the 17th century, was the world's most famous poisoner. She had more than 600 victims to her credit before she was apprehended and executed.

If the water is not cold an oyster drinks about eighty quarts of water daily but if the water is below forty-five degrees he is believed to go on a thirst strike.

Students From Everywhere to T. C. C.

It has often been said that it is worth the while of any ambitious young man or woman to pay railroad fare for a thousand miles to attend TYLER COMMERCIAL COLLEGE.

Such popularity must be deserved. It doesn't come ready-made. It doesn't just happen. Popularity nowadays means "delivering the goods," and the reason Tyler Commercial College has become America's largest business training school is simply that we give better instruction in a shorter length of time and at a smaller cost, than can be obtained elsewhere. Students come from great distances, because it pays them. And it will pay you. Clip the coupon now and send for the large book, "Achieving Success in Business," It is free.

TYLER COMMERCIAL COLLEGE
TYLER, TEXAS

Gentlemen:—Please send me your large free book, "Achieving Success in Business." I am interested in a training that will help me get a good position.

Too Much "Acid?"

Excess Uric Acid Gives Rise to Many Unpleasant Troubles.

AUTHORITIES agree that an excess of uric acid is primarily due to faulty kidney action. Retention of this toxic material often makes its presence felt by sore, painful joints, a tired, languid feeling and, sometimes, toxic backache and headache. That the kidneys are not functioning right is often shown by scanty or burning passage of secretions. Thousands assist their kidneys at such times by the use of *Doan's Pills*—a stimulant diuretic. *Doan's* are recommended by many local people. *Ask your neighbor!*

Fred Henry To Leave

Fred Henry who has been ill at his home for some time but who has recovered, will leave Cameron next week for Mineral Wells where he will spend several weeks on a vacation trip and for the improvement of his health. Mrs. Henry will go with him for the trip and will remain with Mr. Henry during the several weeks.

Mr. Henry is quite active now in the insurance and bonding business as well as a mercantile agency. He is keeper of Record and Seals for the Knights of Pythias and is an active fraternal worker.

Levy To Market

In a few days W. B. Levy, manager of the B. R. Goldberg store, will leave for Dallas to attend the fall trade exposition and to buy goods for the store in Cameron.

Mrs. Rosa McMillan will go to market also for the Goldberg store here. An increasing number of Cameron merchants are going to Dallas each year to purchase goods.

Revival Closes

One of the greatest revivals Walker's Creek has had in years closed last Sunday night with twenty-eight additions, twenty-three of these for baptism.

Pastor Evangelist W. T. Turner of Waco did the preaching. He did wonderful preaching throughout the revival and proved to be a lovable man. All learned to love him and his many friends wish for him great success in the future. Mrs. Turner, his wife, also did great work with her Bible stories, illustrated by Miss Gladys Henricks of Waco.

The baptizing will take place next Sunday evening, July 31, at the Randolph Crossing on Little River.

Gohmert To Market

L. F. Gohmert of the Gihmert Variety Store, will leave Cameron for Dallas in a few days for the fall trade exposition and to buy goods for his store in Cameron. Mr. Gohmert expects a good fall business and since he came to Cameron he has been very successful with his business.

Maysfield Girl Wins Missouri Pacific Prize

Miss Marietta Pool of Maysfield, Texas, has made the most outstanding record in the 4-H Girls' Clubs of Milam County, and has been awarded the free scholarship to the Farmers' Short Course, offered by the Missouri Pacific Railroad.

Dairying was her major project, and in her dairy work she made a net profit of $23.50 selling cream. During her project she received 354 gallons of milk. She cared for the cow herself, besides helping to milk fourteen others.

Under the direction of her Home Demonstration Agent, Miss Minnie V. Bartholomew, Miss Pool carried on her other projects in her club work including, food preparation, sewing and home improvement work.

Miss Pool will join the party of Club boys and girls at College Station for the Farmers' Short Course, July 25th-30th.

Announcement Party

A bridge party of attractive summertime appointment at the beautiful Cameron Country Club on Wednesday morning was the announcement of the approaching marriage of Miss Louise Denson, made by her aunt, Mrs. T. J. Denson. Seven tables of interested friends assembled for the games, in response to the invitation by the hostess to attend a bridge party in honor of her daughter, Mrs. Clifton Jenness' birthday. The guests, however, were a "wee bit" suspicious that they had been misinformed, and Miss Denson received every attention from the very beginning.

The tables and menu service carried the color scheme of pink and lavendar in all accessories. The spacious club room was very attractively decorated with zinnias, perennial phlox and canna lilies in the chosen colors. A beautiful basket of zinnias graced the large table.

When enthusiasm among the players was at its highest, the messenger boy appeared with a telegram for Mrs. Denson. Upon glancing at the contents, she very sadly announced to the players that they would have to stop playing and then read the following message: "At last, Louise and Eber are going to be married on the 25th of August." The bride-to-be was then showered with good wishes.

At each table a box of bath powder for high cut was received by Mrs. E. A. Flinn, Mrs. C. W. Bradbury, Misses Pauline Green, Elizabeth Green, Jimmie Jarrell, Lily Kate Beckerman and Helen Green.

Delicious refreshments were served on green trays with dainty pink and lavendar covers in crepe paper, and consisted of pressed chicken, potato chips, olives, asparagus and tomato salad, hot rolls, saltines, ice tea and cherry nut ice cream.

Out of town guests were Misses Elizabeth Green of Rosebud Jimmie Jarrell of Bishop and Jennie Lee Logan of Fort Worth, guests of Miss Pauline Green, and Mrs. Hawkins, a guest of Mrs. John Denson.

Much interest will be centered around the marriage of this popular couple. The bride-to-be is the youngest daughter of Dr. and Mrs. John Denson and is a very charming young lady.

The groom is the son of Mrs. E. A. Flinn and is a very successful business man. At present he is engaged in the cotton business in Driscoll.

TO HOLDERS OF SECOND LIBERTY LOAN BONDS

EXCHANGE OFFERING OF NEW TREASURY BONDS

Notice is given of a new offering of UNITED STATES TREASURY BONDS, dated June 15, 1927, and bearing interest from that date at the rate of 3¾ per cent. The bonds will mature in twenty years, but may be called for redemption after sixteen years.

Second Liberty Loan bonds will be accepted in exchange at par. Accrued interest on the Second Liberty bonds offered for exchange will be paid as of June 15, 1927.

Second Liberty Loan bonds have been called for payment on November 15, 1927, and will cease to bear interest on that date. Holders of such bonds who desire to take advantage of the exchange offer should consult their bank or trust company at once. The exchange privilege will be available for a limited period only, and may expire about June 15th.

Further information may be obtained from banks or trust companies, or from any Federal Reserve Bank.

A. W. MELLON,
Secretary of the Treasury.

Washington, May 31, 1927.

Fritz Vogelsang Dies At Burlington Home

Fritz Vogelsang Jr., a prominent citizen and farmer of Milam County, died Wednesday, July 27, 1927 at 1 o'clock at his residence near Burlington. Mr. Vogelsang has been in declining health for a long time and confined to his bed for the past ten weeks.

Funeral arrangements were in charge of Coleman-Eplen undertaking firm. Services were conducted from the family residence Thursday afternoon at 3 o'clock by Rev. L. J. Power of Cameron with interment in the Burlington Cemetery.

No detailed information could be secured for this week, but a complete obituary will appear in next week's issue.

SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

Birthday Outing

One of the most enjoyable affairs of the season for the little folks was the birthday party given by Mrs. Leo Wilkerson Wednesday afternoon, July 27 honoring her little daughters birthdays, Zora Clark, 8 and Leola, 2.

The little tots assembled on the lawn, where everything had been provided for their pleasure. A large grab box, decorated in blue, red and silver contained attractive favors for each one. Everyone was blindfolded and the older girls received pretty fans and the older boys, whistles. Leola's little friends were given red, blue, orange, yellow and green balls. Games were directed by Misses Katharine and Adelyn Lovick, Maidie Watson, Bess Mangum, Alice Fannin, Florence and Frances Hobson.

Two beautiful large birthday cakes bearing 2 and 8 candles and decorated with dainty pink rosebuds were borne on trays with sprays of Queen's Wreath. Ice cream cones were served with the cake.

In Zora Clark's cake, Nell Lewis received the horseshoe, Viola Thomas, the sport emblem; Dana Kestenbaum, the heart; Elizabeth Sprott, the thimble; Daisy V. Olson, the ring. In Leola's cake, Wm. Balhorn Jr., received the button; Tom Hobson, the thimble; Patsy Gene Head, dime; Waybourne Gunn, the wishbone; Inez Slaughter, the ring.

Inez Miller of Fort Worth was an out of town guest.

Booster March	Schumann

AN ORDINANCE

Controlling Slaughter, Inspection and Sales of Meat Within the City of Cameron; Regulating Inspection Fees, Prescribing a Penalty and Declaring an Emergency

Be it ordained by the City Council of the City of Cameron:-

Section 1. No person, firms or corporations shall kill or slaughter any animal whose meat is sold or offered for sale in the City of Cameron before the said animal or animals have been inspected by authorized inspectors, and after the animal has been dressed it must again be re-inspected for diseases, bruises, etc.

Section 2. Should the said inspector find the said carcass or any of its parts showing signs of disease, the said carcass shall then be discarded according to the nature of the condition, removing such parts which are unfit for food, or if the entire carcass shows to be unfit for food, the diseased meat or parts shall then and there be stamped "City Inspected and Condemned," and shall be removed from the room which is intended for meats to be kept.

Section 3. Should the said carcass show no signs of disease, it shall be stamped "City Inspected and Passed," not less than six places on each half of carcass.

Section 4. For the said inspection, the person or persons in charge of said slaughtering plant shall be charged Twenty-Five Cents (25c) for each head of animals inspected, and shall pay the same to the City Secretary of the City of Cameron on the first day of each month.

Section 5. It shall be the duty of the said Inspector on the last day of each month to furnish the City Secretary with a complete list of all animals inspected, with the amount passed and the amount condemned during said month.

Section 6. The Inspector shall have at his option, when he sees fit, that the carcass of old bulls and others that are in poor condition shall be stamped "City Inspected and Passed for Sausage Only."

Section 7. When the Inspector shall condemn any meats or parts in good faith, he shall not be held responsible for such parts condemned.

Section 8. No person, firms, or corporation shall sell or offer for sale within the City of Cameron, any meat or meats except those bearing the stamp of inspection of the city or houses maintaining Government inspection or cities where regular inspection is maintained and so stamped.

Section 9. The penalty for the violation of any of the above regulations shall not be less than one dollar or more than ten dollars fine.

Section 10. Nothing in this ordinance, except Section 1 hereof, shall apply to farmers killing and selling meats raised by them on their farms, but such farmers, before offering such meat for sale, shall file their names with the Sanitary officer.

Section 11. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

Section 12. The fact that there is no adequate law controlling the slaughtering and inspection of meat and meat food products in the city of Cameron creates an emergency and an imperative public necessity that the rule requiring ordinances to be read on three separate days be suspended, and the same is hereby suspended, and this ordinance shall take effect and be in force from and after its passage and legal publication.

Passed this the 23rd day of June, 1927.

Approved this the 23rd day of June, 1927.

JUDD G. DAVIS, Mayor,
City of Cameron, Texas.

Attest:
J. C. JOSEPH, Secretary,
City of Cameron, Texas.

Committee of Milam County Bar Favors Judicial Amendment

TO THE VOTERS OF MILAM COUNTY:-

We wish to commend to the thoughtful citizenship of this county the adoption of what is known as the "Judiciary Amendment" to our Constitution. The amendment makes no change whatever in the method of fixing judicial salaries. It has no relation to any other constitutional amendment submitted for the consideration of our citizens.

If adopted, the amendment will, in our opinion, materially increase the efficiency and effectiveness of our judiciary. It will, without additional expense, expediate the administration of justice. Delay of justice is often a denial of justice.

At present our Supreme Court consists of three Judges, aided by six Judges of the Commission of Appeals. The amendment provides for a Supreme Court of nine Judges and the abolition of the Commission of Appeals; therefore, the number of Judges is not increased. The new court will be a unit and will accordingly eliminate a duplication of work. That a court of nine members can work efficiently and effectively has been clearly demonstrated by the work of the Supreme Court of the United States, which consists of nine members.

The Court of Criminal Appeals at this time is composed of three Judges, aided by a Commission of Appeals composed of two Judges. The amendment authorizes a Court of Criminal Appeals of not more than five Judges; therefore, the number of Judges is not increased.

The Courts of Civil Appeals are at present constitutional courts. The Legislature has unlimited power at this time to create new Courts of Civil Appeals. The amendment limits the number of Judges of the Courts of Civil Appeals to thirty six. At the present time there are 11 Courts of Civil Appeals (with thirty-three) Judges) functioning, with a twelfth Court of Civil Appeals (with these Judges) authorized by legislative act. The effect of this amendment will be to stop the creation of new Courts of Civil Appeals. Each Legislature for many years has created a new Court of Civil Appeals—a tendency that should and will be checked if the proposed amendment is adopted.

The amendment makes only one new provision with reference to our District Courts. Authority is given thereby to the Supreme Court of the State to transfer, temporarily, District Judges of the State wherever congestion of business may suggest or require such a transfer. At this time, in many judicial districts, Judges are not busy throughout the year, while in other districts due to industrial development or oil activity, the courts are overcrowded. This situation has heretofore been remedied by creating new District Courts. The proposed amendment will effectively stop the creation of new District Courts and will utilize the Judges we now have to relieve the congestion of litigation wherever and whenever it may exist. No private business for a moment would consider continuing under the old system.

We challenge the view that there is the slightest danger to the administration of justice in transferring a Judge (temporarily) to a new district. The Judge thus transferred goes into the new district free from the obligations of friendship and free from political alignments. If he is worthy to preside over the court in his own district, how could he be unworthy to preside over a court in another district of this State? Our law is the same in all judicial districts.

It is our opinion that every change embodied in the proposed amendment is a wise and salutary one—a change that will increase the efficiency of our judicial system.

The "Judiciary Amendment" was drafted by some of our ablest and most patriotic lawyers. It has the approval and support of our Attorney General, our Governor and the Judges of the Supreme Court. It was indorsed at the recent meeting of the State Bar Association at Houston, with only two dissenting votes.

It is our sincere conviction that the proposed amendment represents substantial progress in the administration of justice in Texas.

Respectfully,
W. A. MORRISON, Pres.,
Milam Co., Bar Ass'n.
T. S. HENDERSON,
W. G. GILLIS,
E. A. WALLACE, Committee.
